The applicant hereby certifies and agrees as follows: (1) I am authorized to make application. (2) I have read this application and attest that the information furnished is correct, including that contained in plans. (3) If there is any misrepresentation in this application, or associated documents, Monroe County may revoke any permit or Certificate of Occupancy issued based upon this misinformation. (4) I agree to comply with all Monroe County Ordinances, permit conditions and State statutes which regulate building construction, use, occupancy and site development. (5) I grant and will request Monroe County Officials to enter onto the property listed on this application for the purpose of inspecting the work permitted by this application and posting notices. (6) I will retain the Certificate of Occupancy in my records upon completion of the project. NOTE: Plans shall mean all site and construction plans and specifications, whether furnished prior to or subsequent to the application date. All plans furnished subsequent to application date constitute an amendment to the original application and must be specifically approved by the County with an appropriate endorsement and the signature of the approving official prior to plan implementation. The Permit is not valid, and work is not permitted until signed and issued by the agent of the Monroe County Building Department. As the Person eligible and responsible for obtaining a permit or permits as required in Section 430-7 of the Monroe County Building Code, and based upon information contained within these plans, I certify that these plans are identical to those released for construction by the Indiana Department of Fire and Building Services. I also understand that if it is determined that these plans are not identical, all permits obtained as a result of their submittal may be revoked as stated in Section 430-15 of the Monroe County Building Code.
