Round-the-table discussion about sub-committees

How many and what sub-committees do you think the CJRC should have?

- ❖ *Be prepared to name the sub-committees you think the CJRC should have, list what subcommittees you would like to lead or co-lead, and suggest what persons or organizations may be included in that sub-committee work.*

IV. 5:45 p.m. – 6:00 p.m.

CJRC Membership

It has been suggested that a seat or seats be added to the CJRC for the City of Bloomington, so this is time for the CJRC members to weigh in and discuss if you wish to make that recommendation to the Board of Commissioners, as it would require an Ordinance change to add members to the CJRC.
