# Funding for Public Health Services

## Health Fund: Revenue receipted in 2016

**Taxes:** \$ 542,378.15

**Fees:** \$ 448,712.70

**Misc.:** \$ 1,442.71

**STD Grant:** \$ 64,372.84

The health fund provides resources for public health services to the community such as identifying health hazards, investigating potential disease transmission, education, developing policy and linking people to services.

Seventeen employees, including the Health Officer, (15 FTE) and seven health board members are financially supported through the health fund. This allows the department to provide vital records information, perform inspections and investigations, educate the community and meet the essential services of public health. This is a collaborative effort to ensure the Indiana Code and local ordinance requirements are upheld in order to meet public health standards.

A Sexually Transmitted Disease (STD) grant is also included in the health fund. \$75,000.

## Local Health Maintenance Fund: \$ 72,672.00

The LHMF supplements the health fund by providing additional health services such as prenatal care for low-income women, vital record support, infectious disease follow-up and environmental health support. Three part-time positions are included in this fund.

## Indiana Local Health Department Trust Account Fund: \$ 54,261.98

Provides a Tobacco Cessation Health Educator to promote and provide tobacco cessation and education in an effort to reduce death associated with tobacco use and other health risks that contribute to chronic diseases.

**Title X, TANF and Title V/XX: \$ 243,910.00**

**Fees/donations/3rd party/misc. \$ 59,487.67**

This federal grant comes through the Indiana Family Health Council for reproductive health care and family planning for women. Services include pap smears, breast exams, pregnancy tests, STD screening and treatment, education, and contraceptives. Two full-time and three part-time positions are included in this grant.

**Bio Terrorism: \$ 23,386.00**

Funding is provided from the state through Homeland Security and assists the department in developing health emergency preparedness. This grant funded partial coverage of one full-time staff member's salary. Staff worked on preparedness plans, training and Medical Reserve Corp.

**Zika Grant: \$ 3,000.00**

To assist staff with Zika preparedness through training.

**Syringe Services Grant: \$ 15,000.00**

To support a syringe exchange program in Monroe County.

## Baby & Me Tobacco Free NACCHO Grant: \$ 15,000.00

To provide tobacco cessation to pregnant women and their families and to ensure that healthier babies are being born.

**Immunization Grant: \$ 67,378.00**

To improve immunization rates in Monroe County.

\*The grants listed above received majority of funds in 2016.

## Hospital Preparedness, Medical Reserve Corps: \$ 5,411.00

This money also originates from the Homeland Security funding, and passes through the state to the local level. These funds are specifically to build Medical Reserve Corps units.

**Ebola Grant: \$ 26,930.00**

To assist with planning and providing Ebola preparedness exercises and training.
