DONORS:

The Health Department wishes to thank local businesses who collaborated with us and supported many of our educational projects by supplying incentives, food, educators and other assistance.

Bloomington Bagel, Chocolate Moose, Laughing Planet, Spaah, Irish Lion, Jankos, Indiana Running Co, Wonderlab, Kroger, Cardinal Fitness all donated items for the City County Employee Blood Drive Challenge.

Dr Labbon and Shelby Millin for assistance to Futures Clinic.

Thank you!

Notes:

Two projects were underway in 2012 and set for completion in early 2013.

1. The lower level of the Health Services Building is to be remodeled. Futures clinic along with other department staff will move into the lower level in the spring of 2013.
2. A new mission statement was drafted in 2012 and set to be voted on at the January 2013 Health Board meeting.

Vision:

A healthier and safer Monroe County Community.

Mission:

To protect, promote and improve the health of all people in Monroe County.

**Monroe County
Health Department**

2012 Annual Report

The mission of the Monroe County Health Department shall be to promote the best achievable scope and quality of health services for the public.

The health of every citizen is fundamental to their happiness and well-being, and is essential to the security and prosperity of the community, state, and nation.

Is Your Health**

Funding for Public Health Services

Health Fund: Revenue received in 2012

Taxes: \$ 530,902.52

Fees: \$404,988.01

Misc: \$1791.05

Grants: \$50,689.32

The health fund provides resources for public health services to the community such as identifying health hazards, investigating potential disease transmission, education, developing policy and linking people to services.

Fifteen employees, including the health officer and the health board, are financially supported through the health fund. This allows the department to provide vital records information, perform inspections, investigations, educate the community and meet the essential services of public health. This is a collaborative effort to ensure the Indiana Code and local ordinance requirements are upheld in order to meet public health standards.

A Sexually Transmitted Disease (STD) grant is included in the health fund.

Local Health Maintenance Fund (LHMF): \$71,647

The LHMF supplements the health fund by providing additional health services such as prenatal care for low-income women, vital record support, infectious disease follow-up and environmental health support. Two part-time positions are included in this fund.

Indiana Local Health Department Trust Fund: \$54,261.98

Provides a Tobacco Cessation Health Educator to promote and provide tobacco cessation and education in an effort to reduce death associated with tobacco use and other health risks that contribute to chronic diseases.

Title X and TANF: \$260,484

Fees/donations/3rd party/misc \$20,069.76

This federal grant comes through the Indiana Family Health Council for reproductive health care and family planning for women. Services include pap smears, breast exams, pregnancy tests, STD screening and treatment, education, and contraceptives. Three full-time positions are included in this grant, one of which is shared by two individuals.

Local Grants to support Title X Clinic

*Jack Hopkins from
City of Bloomington \$6600*

County Community Service \$8948

Bio Terrorism: \$ 10,176.66

Funding is provided from the state through Homeland Security and assists the department in developing health emergency preparedness. This grant funded part-time hours for two employees. They worked on preparedness plans, training and Medical Reserve Corp. Funds also provided some much needed emergency equipment, including radios.

National Association of County & City Health Officials (NACCHO)/ Medical Reserve Corp : \$5,000

These funds are used to build capacity around volunteers to assist in an emergency.
