HEALTH DEPARTMENT SAYS NO COVID-19 CASE REPORTED FOR MONROE COUNTY

BLOOMINGTON – Despite recent news reports, Monroe County has no confirmed cases of COVID-19.

The Indiana State Department of Health (ISDH) released its daily COVID-19 case count earlier today. No Monroe County cases have been diagnosed at this time, but we expect that to change as this outbreak continues.

The Monroe County Health Department is dedicated to transparency and pledges to keep the community informed by sharing information by press releases as well as its webpage at www.co.monroe.in.us/HealthDepartment and its Facebook page. Up to date information on Indiana corononavirus cases can also be found at ISDH at <https://www.in.gov/coronavirus/>. Please look to these sources for the most up-to-date and accurate information.
