

Optum COVID-19 Testing – Monroe County

Eligibility

- If you are symptomatic for COVID-19 (symptoms can include fever, cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell)
- If you are asymptomatic but are high risk because you are over age 65, have diabetes, obesity, high blood pressure or another underlying condition
- If you are asymptomatic but are a member of a minority population that's at greater risk
- You are a close contact of a confirmed COVID-19 positive patient when it is imperative that the contact continues to work and/or have close contact with at-risk populations

Cost

- The test is free. Insurance information will be collected on the website although no co-pay will be charged.

How to Register

- Go to <https://lhi.care/covidtesting> to set up an account and make an appointment
- Phone registration will only be used for people without internet access at 888-634-1116

Results

You will be asked your preference for receiving results as you register for testing. Those registering online can select text and/or email.

Tips

- You will first create an account. Write down your username, password and Patient ID number in a safe place. You will need your Patient ID to set up your appointment and as you arrive for testing.
- The password you will create needs to meet specific criteria to be a valid password. Follow directions in the portal.
- Testing is open to Indiana residents only. *State ID or utility bill to prove residency.*
