July 17, 2020.

Due to the Monroe County Public Health Order issued on July 17, 2020, Monroe County Government is providing face coverings to the community, on an as needed basis. Below is a listing of various County Offices, Fire Departments, and Trustees Offices where a Monroe County Resident can acquire a face covering in order to be in compliance with the Health Order. As a majority of these offices are currently operating under an appointment-only basis, we ask that you please call the organization, closest to your location, during the business hours of 9 AM-3 PM, Monday through Friday (phone numbers listed below) and set up a date and time for pick-up of the face covering(s). We thank the community and the organizations below for their cooperation in these unprecedented times. –Monroe County Emergency Management
