5. The LPA warrants that the LPA and its contractors shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities under this Contract. Failure to do so may be deemed a material breach of this Contract and grounds for immediate termination and denial of further work with the State.
6. As required by IC §5-22-3-7:
 - (1) The LPA and any principals of the LPA certify that:
 - (A) the LPA, except for de minimis and nonsystematic violations, has not violated the terms of:

 - (A) has not violated the terms of IC §24-4.7 in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.

G. Debarment and Suspension.

1. The LPA certifies by entering into this Contract that neither it nor its principals nor any of its contractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Contract means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the LPA.
2. The LPA certifies that it will verify the state and federal suspension and debarment status for all contractors receiving funds under this Contract and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred contractor. The LPA shall immediately notify INDOT if any contractor becomes debarred or suspended, and shall, at INDOT's request, take all steps required by INDOT to terminate its contractual relationship with the contractor for work to be performed under this Contract.

H. Disadvantaged Business Enterprise Program. Notice is hereby given to the LPA or a LPA Contractor that failure to carry out the requirements set forth in 49 CFR Sec. 26.13(b) shall constitute a breach of this Contract and, after notification, may result in termination of this Contract or such remedy as INDOT deems appropriate.

The referenced section requires the following policy and disadvantaged business enterprise ("DBE") assurance to be included in all subsequent contracts between the LPA and any contractors, vendors or suppliers:

The LPA shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The LPA shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the LPA to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy, as INDOT, as the recipient, deems appropriate.

As part of the LPA's equal opportunity affirmative action program, it is required that the LPA shall take positive affirmative actions and put forth good faith efforts to solicit proposals or bids from and to utilize disadvantaged business enterprise contractors, vendors or suppliers.

I. Disputes.

1. Should any disputes arise with respect to this Contract, the LPA and INDOT agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
2. The LPA agrees that, the existence of a dispute notwithstanding, it shall continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the LPA fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by INDOT or the LPA as a result of such failure to proceed shall be borne by the LPA.
3. If a party to the contract is not satisfied with the progress toward resolving a dispute, the party must notify in writing the other party of this dissatisfaction. Upon written notice, the PARTIES have ten (10) working days, unless the PARTIES mutually agree to extend this period, following the notification to resolve the dispute. If the dispute is not resolved within ten (10)

working days, a dissatisfied party will submit the dispute in writing according to the following procedure:

4. The PARTIES agree to resolve such matters through submission of this dispute to the Commissioner of INDOT. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the LPA within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the PARTIES concludes that the presentation period is over. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If a party is not satisfied with the Commissioner's ultimate decision, the dissatisfied party may submit the dispute to an Indiana court of competent jurisdiction.
5. INDOT may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by INDOT to the LPA of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for LPA to terminate this Contract, and the LPA may bring suit to collect these amounts without following the disputes procedure contained herein.

J. Drug-Free Workplace Certification. As required by Executive Order No. 90-5 dated April 12, 1990, issued by the Governor of Indiana, the LPA hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The LPA will give written notice to the State within ten (10) days after receiving actual notice that the LPA, or an employee of the LPA in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Contract is in excess of \$25,000.00, the LPA certifies and agrees that it will provide a drug-free workplace by:

1. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the LPA's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
2. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the LPA's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
3. Notifying all employees in the statement required by subparagraph (1) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the LPA of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
4. Notifying the State in writing within ten (10) days after receiving notice from an employee under subdivision (3)(2) above, or otherwise receiving actual notice of such conviction;

5. Within thirty (30) days after receiving notice under subdivision (3)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and
6. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (1) through (5) above.

K. Employment Eligibility Verification.

The LPA affirms under the penalties of perjury that they do not knowingly employ an unauthorized alien. The LPA further agrees that:

1. The LPA shall enroll in and verify the work eligibility status of all its newly hired employees through the E-Verify program as defined in IC 22-5-1.7-3. The LPA is not required to participate should the E-Verify program cease to exist. Additionally, the LPA is not required to participate if the LPA is self-employed and do not employee any employees.
2. The LPA shall not knowingly employ or contract with an unauthorized alien. The LPA shall not retain an employee or contract with a person that the LPA subsequently learns is an unauthorized alien.
3. The LPA shall require its contractors, who perform work under this Contract, to certify to the LPA that the contractor does not knowingly employ or contract with an unauthorized alien and that the contractor has enrolled and is participating in the E-Verify program. The LPA agrees to maintain this certification throughout the duration of the term of a contract with a contractor.

The State may terminate for default if the LPA fails to cure a breach of this provision no later than thirty (30) days after being notified by the State.

- L. Force Majeure.** In the event that any Party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected Party (hereinafter referred to as a "Force Majeure Event"), the Party who has been so affected shall immediately or as soon is reasonably possible under the circumstances give notice to the other Party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the Party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

- M. Funding Cancellation Clause.** As required by Financial Management Circular 2007-1 and IC 5-22-17-5, when the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of the performance of this Contract, this Contract shall be canceled. A determination by the Director of the State Budget Agency that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

- N. Governing Laws.** This Contract shall be governed, construed and enforced in accordance with the laws of the State of Indiana, without regard to its conflict of laws rules. Suit, if any, must be brought in the State of Indiana.

- O. **Indemnification.** The LPA agrees to indemnify, defend, exculpate, and hold harmless the State of Indiana, and INDOT and/or its/their officials, agents, representatives, attorneys and employees, individually and/or jointly, from any and all claims, demands, actions, liability and/or liens that may be asserted by the LPA and/or by any other person, firm, corporation, insurer, government or other legal entity, for any claim for damages arising out of any and all loss, damage, injuries, and/or other casualties of whatsoever kind, or by whomsoever caused, to the person or property of anyone on or off the right-of-way, arising out of or resulting from the performance of the contract or from the installation, existence, use, maintenance, condition, repairs, alteration and/or removal of any equipment or material, whether due in whole or in part to the acts and/or omissions and/or negligent acts and/or omissions:
- (a) of the State of Indiana, INDOT, and/or its/their officials, agents, representatives, attorneys and/or employees, individually and/or jointly;
 - (b) of the LPA, and/or its officials, agents, representatives, attorneys and/or employees, individually and/or jointly;
 - (c) of any and all persons, firms, corporations, insurers, government or other legal entity engaged in the performance of the contract; and/or
 - (d) the joint negligence of any of them, including any claim arising out of the Worker's Compensation law or any other law, ordinance, order, or decree.

The LPA also agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys, and/or employees, individually and/or jointly, in connection herewith in the event that the LPA shall default under the provisions of this section.

The LPA also agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys, and/or employees, individually and/or jointly, in asserting successfully a claim against the LPA for indemnity pursuant to this contract.

- P. **Merger & Modification.** This Contract constitutes the entire agreement between the PARTIES. No understandings, agreements, or representations, oral or written, not specified within this Contract will be valid provisions of this Contract. This Contract may not be modified, supplemented or amended, in any manner, except by written agreement signed by all necessary PARTIES.
- Q. **Non-Discrimination.**

- I. Pursuant to the Indiana Civil Rights Law, specifically including IC 22-9-1-10, and in keeping with the purposes of the Civil Rights Act of 1964 as amended, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the LPA covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state or local law ("Protected Characteristics"). The LPA certifies compliance with applicable federal laws, regulations and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this covenant may be regarded as a material breach of this Contract, but nothing in this covenant

shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the LPA or any subcontractor.

2. INDOT is a recipient of federal funds, and therefore, where applicable, the LPA and any subcontractors shall comply with requisite affirmative action requirements, including reporting, pursuant to 41 CFR Chapter 60, as amended, and Section 202 of Executive Order 11246 as amended by Executive Order 13672.

The LPA agrees that if the LPA employs fifty (50) or more employees and does at least \$50,000.00 worth of business with the State and is not exempt, the LPA will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. The LPA shall comply with Section 202 of executive order 11246, as amended, 41 CFR 60-250, and 41 CFR 60-741, as amended, which are incorporated herein by specific reference. Breach of this covenant may be regarded as a material breach of Contract.

It is the policy of INDOT to assure full compliance with Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act and related statutes and regulations in all programs and activities. Title VI and related statutes require that no person in the United States shall on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (INDOT's nondiscrimination enforcement is broader than the language of Title VI and encompasses other State and Federal protections. INDOT's nondiscrimination enforcement shall include the following additional grounds: sex, sexual orientation, gender identity, ancestry, age, income status, religion, disability, limited English proficiency, or status as a veteran).

3. During the performance of this Contract, the LPA, for itself, its assignees and successors in interest (hereinafter referred to as the "LPA") agrees to the following assurances under Title VI of the Civil Rights Act of 1964:
 - a. Compliance with Regulations: The LPA shall comply with the regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation, Title 49 CFR Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.
 - b. Nondiscrimination: The LPA, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, or status as a veteran in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The LPA shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the Contract covers a program set forth in Appendix B of the Regulations.
 - c. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the LPA for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the LPA of the LPA's obligations under this Contract, and the Regulations relative to nondiscrimination on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, income status, limited English proficiency; or status as a veteran.

- d. Information and Reports: The LPA shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Indiana Department of Transportation and Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a LPA is in the exclusive possession of another who fails or refuses furnish this information, the LPA shall so certify to the Indiana Department of Transportation or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
- e. Sanctions for Noncompliance: In the event of the LPA's noncompliance with the nondiscrimination provisions of this Contract, the Indiana Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to: (a) withholding payments to the LPA under the Contract until the LPA complies, and/or (b) cancellation, termination or suspension of the Contract, in whole or in part.
- f. Incorporation of Provisions: The LPA shall include the provisions of paragraphs a through f in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The LPA shall take such action with respect to any subcontract or procurement as the Indiana Department of Transportation or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the LPA becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the LPA may request the Indiana Department of Transportation to enter into such litigation to protect the interests of the Indiana Department of Transportation, and, in addition, the LPA may request the United States of America to enter into such litigation to protect the interests of the United States of America.

- R. Payment. All payments (if any) shall be made thirty-five (35) days in arrears in conformance with State fiscal policies and procedures and, as required by IC §4-13-2-14.8, the direct deposit by electronic funds transfer to the financial institution designated by the LPA in writing unless a specific waiver has been obtained from the Indiana Auditor of State. No payments will be made in advance of receipt of the goods or services that are the subject of this Contract except as permitted by IC §4-13-2-20.
- S. Penalties, Interest and Attorney's Fees. INDOT will in good faith perform its required obligations hereunder, and does not agree to pay any penalties, liquidated damages, interest, or attorney's fees, except as required by Indiana law in part, I.C. 5-17-5, I.C. 34-54-8, and I.C. 34-13-1.

Notwithstanding the provisions contained in IC §5-17-5, any liability resulting from the State's failure to make prompt payment shall be based solely on the amount of funding originating from the State and shall not be based on funding from federal or other sources.

- T. Pollution Control Requirements. If this Contract is for \$100,000 or more, the LPA:
 - 1. Stipulates any facility to be utilized in performance under or to benefit from this Contract is not listed on the Environmental Protection Agency (EPA) List of Violating Facilities issued pursuant to the requirements of the Clean Air Act, as amended, and the Federal Water Pollution Control Act, as amended;

2. Agrees to comply with all of the requirements of the Clean Air Act (including section 114) and the Federal Water Pollution Control Act (including section 308) and all regulations and guidelines issued there under; and
 3. Stipulates, as a condition of federal aid pursuant to this Contract, it shall notify INDOT and the FHWA of the receipt of any advice indicating that a facility to be utilized in performance under or to benefit from this Contract is under consideration to be listed on the EPA List of Violating Facilities.
- U. **Severability.** The invalidity of any section, subsection, clause or provision of the Contract shall not affect the validity of the remaining sections, subsections, clauses or provisions of the Contract.
- V. **Status of Claims.** The LPA shall be responsible for keeping INDOT currently advised as to the status of any claims made for damages against the LPA resulting from services performed under this Contract. The LPA shall send notice of claims related to work under this Contract to:

LPA'S RIGHTS AND DUTIES

In addition to any other rights and duties required by Indiana or federal law, regulations, rules, policies or procedures, or described elsewhere in this Contract, the following are the LPA's rights and duties under this Contract for the Project.

1. The LPA has requested and intends to use federal funds to partially pay for the Project. The LPA asserts that the LPA has completed or will complete the Project in accordance with INDOT's Design Manual (See http://www.in.gov/indot/design_manual/) and all pertinent state and federal laws, regulations, policies and guidance. The LPA or its consultant shall prepare the environmental document(s) for the Project in accordance with INDOT's Environmental Manual (See <http://www.in.gov/indot/2523.htm>). Land acquisition for the Project by the LPA or its consultant shall be in accordance with INDOT's Real Estate Manuals (See <http://www.in.gov/indot/2493.htm>).
2. The LPA acknowledges that in order for the cost of consultant services to be eligible for federal funds or federal credits, the consultant selection must be in accordance with INDOT's consultant selection procedure.
3. REQUIREMENTS FOR ADDITIONAL CONTRACTS
 - A. If the LPA wishes to contract with a consultant, contractor or other agent to complete work on the Project, LPA may:
 1. use the "LPA-CONSULTANT Agreement", which is found at <http://www.in.gov/indot/2833.htm> and is incorporated by reference; or
 2. use a form of agreement that has been reviewed and approved by INDOT.
4. The LPA agrees to provide all relevant documents including, but not limited to, all plans, specifications and special provisions, to INDOT for review and approval, and such approval will not be unreasonably withheld. If INDOT does not approve an LPA submittal, the LPA shall cause the submittal to be modified in order to secure INDOT's approval. The LPA understands that if it fails to provide a submittal, submits it late, or the submittal is not approvable, the schedule, cost, and federal funds for the Project may be jeopardized.
5. The LPA agrees to complete all right-of-way acquisition, utility coordination and acquire the necessary permit(s) and submit documentation of such to INDOT. The utility coordination shall be in accordance with 105 IAC 13.
6. At least ninety to one hundred twenty (90 to 120) calendar days prior to INDOT's scheduled construction letting for the project, the LPA will submit to INDOT documentation of the LPA's fiscal body's resolution or other official action irrevocably committing the LPA to fund the LPA's cost of the Project as described in Attachment D.

7. If the LPA has failed to meet any of the requirements of sections 1, 2, 4, 5, or 6 above, INDOT will not let the construction project. If INDOT, and FHWA where necessary, approve LPA's submittals, INDOT shall schedule the Project for letting at the next reasonable date.
8. The LPA shall pay the cost of the invoice of the construction, utility, and/or railroad work within thirty (30) calendar days from the date of INDOT's award of the construction contract.
9. The LPA understands time is of the essence regarding the Project timeline and payment of costs by the LPA. Delays in payment may cause substantial time delays and/or increased costs for the Project. If the LPA has not paid the full amount of the amount billed by INDOT, in accordance with Attachment D, within sixty (60) calendar days past the due date, INDOT shall be authorized to cancel all contracts relating to this contract including the contracts listed in II.A.1 of Attachment D and/or proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds from the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account.
10. The LPA shall also be responsible for all costs associated with additional provisions and/or expenses in excess of the federal funds allocated to the project. The LPA, in conjunction with FHWA (if applicable) and INDOT shall review and approve all change orders submitted by the field Project Engineer/Supervisor, and such approvals shall not be unreasonably withheld.
11. The LPA shall provide competent and adequate engineering, testing, and inspection service to ensure the performance of the work is in accordance with the construction contract, plans and specifications and any special provisions or approved change orders. If, in INDOT's opinion, the services enumerated in this section are deemed to be incompetent or inadequate or are otherwise insufficient or if a dispute arises, INDOT shall, in its sole discretion, have the right to supplement the services or replace the engineers or inspectors providing these services at the sole expense of the LPA.
 - A. If project inspection will be provided by full-time LPA employees:
The personnel must be employees of the LPA. Temporary employment or retainage-based payments are not permissible. INDOT must pre-approve, in writing, the LPA's personnel. Only costs incurred after INDOT's written notice to proceed to the LPA shall be eligible for federal-aid participation. All claims for federal-aid shall be submitted to the District office, referenced on Page 1, for payment.

or
 - B. If project inspection will be provided by the LPA's consultant:
INDOT must approve, in writing, the consultant personnel prior to their assignment to the project. The LPA shall execute a contract with a consultant setting forth the scope of work and fees. The LPA shall submit this contract to INDOT prior to INDOT's Ready for Contracts date for the Project. Only costs incurred after INDOT's written notice to proceed to the LPA and the LPA's written notice to proceed to the consultant shall be eligible for federal aid participation. All claims for federal-aid shall be submitted to the District office, referenced on page 1, for payment.

12. The LPA shall submit reports, including but not limited to quarterly reports, to INDOT regarding the project's progress and the performance of work per INDOT standard reporting methods. If the required reports are not submitted, federal funds may be withheld.
13. The LPA hereby agrees that all utilities which cross or otherwise occupy the right-of-way of said Project shall be regulated on a continuing basis by the LPA in accordance with INDOT's Utility Procedure and Accommodation Policy (See <http://www.in.gov/indot/2389.htm>). The LPA shall execute written use and occupancy contracts as defined in this Policy.
14. If FHWA or INDOT invokes sanctions per Section VI.F.2. of the General Provisions of this contract, or otherwise denies or withholds federal funds (hereinafter called a citation or cited funds) for any reason and for all or any part of the Project, the LPA agrees as follows:
 - a. In the case of correctable noncompliance, the LPA shall make the corrections, to the satisfaction of FHWA and INDOT, in a reasonable amount of time. If the LPA fails to do so, paragraph 14.b. and/or 14.c. below, as applicable, shall apply.
 - b. In case a citation for noncompliance is not correctable or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA and INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, this paragraph shall apply and adjustments shall be made as follows:
 1. The LPA shall reimburse INDOT the total amount of all right-of-way costs that are subject to FHWA citation that have been paid by INDOT to the LPA.
 2. If no right-of-way costs have as yet been paid by INDOT to the LPA or to others, INDOT will not pay any right-of-way claim or billing that is subject to FHWA citation.
 3. The LPA agrees that it is not entitled to bill INDOT or to be reimbursed for any of its right-of-way liabilities or costs that are subject to any FHWA citation in force.
 - c. If FHWA issues a citation denying or withholding all or any part of construction costs due to LPA noncompliance with right-of-way requirements, and construction work was or is in progress, the following shall apply:
 1. INDOT may elect to terminate, suspend, or continue construction work in accord with the provisions of the construction contract.
 2. INDOT may elect to pay its obligations under the provisions of the construction contract.
 3. In the case of correctable noncompliance, the LPA shall make the corrections in a reasonable amount of time to the satisfaction of FHWA and INDOT.

4. In case the noncompliance is not correctable, or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA or INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, and construction work has been terminated or suspended, the LPA agrees to reimburse INDOT the full amount it paid for said construction work, less the amount of federal funds allowed by FHWA.
- d. In any case, the LPA shall reimburse INDOT the total cost of the Project, not eligible for federal participation.
- e. If for any reason, INDOT is required to repay to FHWA the sum or sums of federal funds paid to the LPA or any other entity through INDOT under the terms of this Contract, then the LPA shall repay to INDOT such sum or sums within forty-five (45) days after receipt of a billing from INDOT. Payment for any and all costs incurred by the LPA which are not eligible for federal funding shall be the sole obligation of the LPA.

ATTACHMENT C

INDOT'S RIGHTS AND DUTIES

In addition to any other rights and duties required by Indiana or federal law or regulations or described elsewhere in this Contract, the following are INDOT's rights and duties under the Contract:

1. INDOT shall have full authority and access to inspect and approve all plans, specifications and special provisions for the Project regardless of when those plans, specifications, special provisions or other such Project documents were created.
2. After the LPA has submitted and INDOT has accepted and/or approved all pre-letting documents, INDOT will prepare the Engineer's Estimate for construction of the Project.
3. If the LPA owes INDOT money which is more than 60 days past due, INDOT will not open the construction bids for the Project.
4. Not later than sixty (60) calendar days after receipt by INDOT of a certified copy of a resolution from the LPA's fiscal body authorizing the LPA to make payment to INDOT according to the terms of Attachment D, and fulfillment of all other pre-letting obligations of this contract, INDOT shall, in accordance with applicable laws and rules (including I.C. 8-23-9, I.C. 8-23-10, and 105 I.A.C. 11), conduct a scheduled letting.
5. Subject to the LPA's written approval, INDOT shall award the construction contract for the Project according to applicable laws and rules.
6. Not later than seven (7) calendar days after INDOT awards the construction contract described above, INDOT shall invoice the LPA for the LPA's share of the construction cost.
7. If INDOT has received the LPA's share of the Project construction cost and if the lowest qualified bidder has not otherwise been disqualified, INDOT shall issue notice to proceed for the Project to the contractor within fourteen (14) calendar days of its receipt of the LPA share of the construction cost.
8. INDOT shall have the right and opportunity to inspect any construction under this Contract to determine whether the construction is in conformance with the plans and specifications for the Project.
9. In the event the engineering, testing, and inspection services provided by the LPA, in the opinion of INDOT, are deemed to be incompetent or inadequate or are otherwise insufficient or a dispute arises, INDOT shall, in its sole discretion, have the right to supplement the engineering, testing, and inspection force or to replace engineers or inspectors employed in such work at the expense of the LPA. INDOT's engineers shall control the work the same as on other federal aid construction contracts.
10. After the final Project audit is approved by INDOT, the LPA shall, within forty-five (45) days after receipt of INDOT's bill, make final payment to INDOT pursuant to Attachment D or INDOT shall, within forty-five (45) days after approval of the audit, refund any Project overpayment to the LPA.

ATTACHMENT D

PROJECT FUNDS

I. Project Costs.

- A. This contract is just for the one (1) phase checked below:

 X Preliminary Engineering or
 Right-of-Way or
 Construction;

Otherwise, this contract covers all phases.

- B. If the Program shown on Attachment A is receiving _____ federal-aid funds for the project, the LPA is allocated the funds through the MPO as written in their fiscally constrained TIP. Any adjustments (positive or negative) to the dollar amount listed in the TIP, or any increase or decrease in the funding from a prior year, authorized by the MPO that may not be reflected in the current TIP, are hereby considered adjustments to the contract between the LPA and INDOT, as the MPO must maintain fiscal constraint for all projects listed. Federal funds made available to the LPA by INDOT will be used to pay _____ % of the eligible Project costs. The maximum amount of federal-aid funds allocated to the Project is dependent upon the current TIP allocation. As of this date, _____, the maximum amount according to the TIP dated _____ is \$ _____. The most current MPO TIP page, or MPO authorization, is uploaded into INDOT's Scheduling Project Management System (SPMS).

OR

- C. Federal-aid Funds made available to the LPA by INDOT will be used to pay 80% of the eligible Project costs. The maximum amount of federal funds allocated to the project is \$256,560.00.
- D. The LPA understands and agrees that it is INDOT's policy to only allow non-discretionary changes to a Project scope after bidding. Changes to the Project scope after bidding that are by the choice of the LPA and are not required to complete the Project will not be eligible for federal-aid funds and must be funded 100% locally.
- E. The LPA understands and agrees that the federal-aid funds allocated to the Project are intended to accomplish the original scope of the Project as designed. If the Project bid prices are lower than estimated, the LPA may not utilize those federal-aid funds and the remaining balance of federal-aid funds will revert back to the Local Program.
- F. If the Program shown on Attachment A is Group I or Group II, Section E. does not apply. If the Project bid prices are lower than estimated, the LPA may not utilize those federal-aid funds and the remaining balance of federal-aid funds will revert back to the MPO.
- G. The remainder of the Project cost shall be borne by the LPA. For the avoidance of doubt, INDOT shall not pay for any costs relating to the Project unless the PARTIES have agreed in a document (which specifically references section I.D. of Attachment D of this contract) signed by an authorized representative of INDOT, the Indiana Department of Administration, State Budget Agency, and the Attorney General of Indiana.
- H. Costs will be eligible for FHWA participation provided that the costs:

- (1) Are for work performed for activities eligible under the section of title 23, U.S.C., applicable to the class of funds used for the activities;
- (2) Are verifiable from INDOT's or the LPA's records;
- (3) Are necessary and reasonable for proper and efficient accomplishment of project objectives and meet the other criteria for allowable costs in the applicable cost principles cited in 49 CFR section 18.22;
- (4) Are included in the approved budget, or amendment thereto; and
- (5) Were not incurred prior to FHWA authorization.

II. Billings.

A. Billing:

1. When INDOT awards and enters into a contract (i.e., construction, utility, and/or railroad) on behalf of the LPA, INDOT will invoice the LPA for its share of the costs. The LPA shall pay the invoice within thirty (30) calendar days from date of INDOT's billing.
2. The LPA understands time is of the essence regarding the Project timeline and costs and delays in payment may cause substantial time delays and/or increased costs for the Project.
3. If the LPA has not paid the full amount due within sixty (60) calendar days past the due date, INDOT shall be authorized to cancel all contracts relating to this Contract, including the contracts listed in II.A.1 of Attachment D and/or proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds from the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account.

III.Repayment Provisions.

If for any reason, INDOT is required to repay to FHWA the sum or sums of federal funds paid to the LPA or on behalf of the LPA under the terms of this Contract, then the LPA shall repay to INDOT such sum or sums within thirty (30) days after receipt of a billing from INDOT.
