

## Monroe County Health Department

### Covid-19 Vaccination Standby Wait List

*(sign up weekly starting on Sundays for that week's clinics)*

<b>Who</b>	Those interested in joining a standby wait list for <u>possible</u> unused doses of vaccine at the end of a vaccination clinic day. Those who sign up <b><u>MUST</u></b> be able to arrive at the clinic within 30 minutes of notification by MCHD.
<b>What</b>	Standby wait-list for possible unused doses of Moderna Covid vaccine at the end of clinics.
<b>When</b>	At end of scheduled vaccine clinics (below). Days and times may change so check back often. Monday – 8:00 AM – 4:00 PM Wednesday – 10:00 AM – 6:00 PM Saturday – 8:00 AM – 12:00 PM
<b>Where</b>	Monroe County Convention Center (current MCHD site)
<b>Why</b>	Each vial of the Moderna vaccine holds 10 doses and once a vial is opened, it must be used or discarded. We plan to match appointments with the vaccine allotted for each clinic, <b>but cancellations may result in leftover doses.</b>
<b>How</b>	Near the end of each clinic, staff will evaluate the number of vaccine doses left in vials and compare to current appointments. If it appears there are "extra" doses, staff will prioritize names on the list based on current CDC and IDOH guidelines. Those contacted <b>must</b> be able to arrive at the vaccination clinic within 30 minutes to be eligible for a dose. <b>If you would like to be added to the weekly standby list, sign up here:</b>  <a href="https://forms.gle/cvefM8mMBw6gX1zr6">https://forms.gle/cvefM8mMBw6gX1zr6</a>
