

Monroe County Property Tax Information

Tax bills are sent out once a year in April. Taxes are always due in two installments. These due dates are on May 10 and November 10 unless they fall on a weekend or holiday. If this occurs, the tax due date will be the next business day. Keep an eye out for your bill to come in the mail every April. **If you do not receive a tax bill by the end of April, call our office before the due date and request a new tax bill. Failure to receive a tax statement does not relieve the taxpayer of the responsibility for payment and penalties when delinquent. If payment is made after the tax due dates, contact the Treasurer's Office at (812)349-7333 for payment including penalty.**

Why is my Tax Bill so high?

There are multiple factors that affect property taxes, and many of these can change from year to year. These factors include (but are not limited to) assessed value, deductions, tax rates, and other assessments, which include storm water fees and liens filed against the property. Details regarding these factors are shown on the TS-1A statement that was mailed with the property tax bill. This statement has the words "SPECIAL MESSAGE TO PROPERTY OWNER" at the top and also shows differences between the current and previous year.

*Please note that the County storm water fee (included in the "Other Assessment" portion of the tax bill) increased for the payable 2021 tax year. Most county parcels increased from \$35.16 annually in 2020 to \$75.76 annually in 2021. If you have any questions regarding storm water fees, please call 812-349-2117

Paid off Mortgage (Mortgage no longer in escrow)

Congratulations on paying off your mortgage! Now that your taxes will no longer be paid by your escrow account, it is important to know how property taxes are billed. Please read the information on the front of this sheet to ensure that you understand the property tax billing process. If you do not have a copy of your most current tax statement, please contact our office and request a copy of your most current tax statement. The Treasurer's Office will be more than happy to answer any additional questions that you may have.
