2022 EMPLOYEE SALARY ORDINANCE

An Ordinance Adopting Monroe County, Indiana Salary Schedule and Compensation Policies Ordinance 2021-49B

WHEREAS, the Indiana Legislature adopted Indiana Code 36-2-3 et seq. which established the Monroe County Council as the governing fiscal body of Monroe County; and

WHEREAS, IC 36-2-5-3 grants the Monroe County Council the power to:

- 1. Fix the number of officers, deputies and other employees;
- 2. Describe and classify positions and services
- 3. Adopt schedules of compensation; and
- 4. Hire or contract with persons to assist in the development of schedules of compensation;

BE IT ORDAINED BY THE MONROE COUNTY COUNCIL OF INDIANA, that this ordinance affixes the number and compensation of employees of the County from the period of January 1, 2022 to December 31, 2022, including all officers, deputies, assistants, and other employees whose salary is comprised of funds payable from any county fund or budget as provided by IC 36-2-5 et seq. This compensation is limited by the following lines and maximum levels of salary shown on the Salary Compensation Grids. All payments made pursuant to this Ordinance are contingent upon the strict compliance with and adherence to the benefit, compensation, fiscally-related, and state and federally-mandated requirements of the Monroe County Personnel Policy Handbook. It is the intent of the County Council that this language will encourage compliance with personnel policies which may have a fiscal-impact on Monroe County Government.

Outliers, Special Occupation employees, Highway Employees, Correctional Officers, Sheriff Merit Deputies, and Probation Officers covered under a contractual agreement or whose salaries are determined by a state-prescribed rule, order, guideline or mandate, shall not receive compensation above the salary range authorized for their position in their corresponding Compensation Grids. The County Auditor shall not issue pay warrants for any pay that exceeds the authorized amount specified in the Salary Ordinance.

In-Grade Supervisors, whose pay is grandfathered at the Maximum Salary Level may continue to be paid accordingly; however, the pay associated with a position shall revert to the normal pay schedule when the employee whose pay was grandfathered leaves employment with Monroe County or changes positions. No additional pay raises to the Maximum Salary Level shall be granted without specific Council approval. It is the policy of the Council, at the time of the passage of this Salary Ordinance, to limit the Maximum Salary Level rates to the current number of positions only. The Council does not wish to allow additional positions to be paid at the Maximum rate.

The compensation amounts are listed as <u>approximate annual appropriation amounts</u> and the calculation of the biweekly or hourly compensation rates may result in a slight variation and will not be adjusted at year-end.

Compensation paid on or after January 1, 2022 and prior to midnight December 31, 2022 shall be calculated and paid within the parameters of this Salary Ordinance and the Personnel Policy Handbook regardless of when the work is performed.

2022 EMPLOYEE SALARY ORDINANCE

MONROE COUNTY COUNCIL POLICY REGARDING SALARIES TIED TO STATE MANDATED SALARIES

Annual salaries for the Monroe County Chief Public Defender, the Chief Deputy Public Defender, the Monroe County Sheriff, and the Monroe Circuit Court Commissioner are all tied or related to the salaries mandated by the state of Indiana for the Monroe Circuit Court Judges and the Monroe County Prosecutor. The State-mandated salaries are amend annually on July 1st.

It is the intent and direction of the Monroe County Council that any and all salaries paid by the Monroe County Council which are tied or related to the above-mentioned salaries mandated by the State of Indiana, shall be automatically amended at the same time as the State-mandated salaries. The Monroe County Council recognizes that this is an exception to the general rule for County-set salaries, which are generally modified on January 1st.

Additional detail including Defense Services Standards (Standard G), Supreme Court Compensation Information, I.C. 33-39-6-5, and I.C. 36-2-3-17 are incorporated by reference.

2022 MINIMUM SALARY SCHEDULE FOR PROBATION OFFICERS

Judicial Conference of Indiana

10-14* 15-19* 20 +*	\$ 56,063 \$ 61,670 \$ 67,835	Supervisor Probati Officer*	ion			\$5,000
		<u>NOTE:</u> The amounts for supervisory roles are <u>in addition</u> to the minimum salary based on years of experience.				

^{*}Probation officers having a master's or doctorate degree from an accredited college or university in a relevant course of study as determined by the supervising judge and a minimum of 5 years as an Indiana probation officer shall receive an additional 5% of their base salary each year. For example, the minimum salary for a probation officer with 5 years of experience in 2022 would be \$50,965. If that officer had a master's degree, then the minimum salary would be \$53,513 in 2022.

- As used in this schedule, salary means the gross salary paid to a probation officer and does not include
 the employer's contributions to PERF/retirement program, disability, medical or other insurance
 programs, or deferred compensation.
- In the years following the implementation of the schedule, the Indiana Judicial Center will provide each chief probation officer with a revised Minimum Salary Schedule based on the pay increase awarded to state judicial employees. This schedule will be provided in time to prepare the next year's budget. The salaries for all probation officers shall be adjusted to meet the schedule provided each year.
- The salary schedule was effective beginning January 1, 2004 for full time probation officers. Part-time probation officers shall be paid according to the schedule on a pro rata basis. In each year following the implementation of the 2004 schedule, the revised schedules are effective January 1. Years of service are determined according to I.C. 5-10.3-7-2 for part-time probation officers.
- Departments shall not reduce the salaries of probation officers who are paid above the minimum salary schedule.
- Departments that do not comply with the Minimum Salary Schedule will not be permitted to send new probation officers to orientation. The probation officer's supervising judge must affirm compliance with the minimum salary schedule for purposes of orientation.

DIRECTIONS FOR IMPLEMENTING THE SCHEDULE:

- 1. This minimum salary schedule is based upon years of experience. Therefore, as a probation officer's experience increases his or her salary shall increase on the anniversary date of employment. For example, if a probation officer begins working on May 15, then on May 15 of the following year, his/her salary shall increase to the next level. In other words, the anniversary date of that person being hired is the date that his/her salary shall increase from one level to the next. For example, when a person has ten (10) years of experience that person moves to the 10-14 years of experience level.
- 2. Minimum salaries for Chief Probation Officers, Assistant Chief Probation Officers, and Supervisors are calculated based on their years of experience plus the amount listed for their administrative role. For example, the minimum salary of a Chief Probation officer with 5 years of experience in a department with 4-8 officers would equal \$58,465 in 2022.
- 3. In those counties having only one probation officer the minimum salary of that probation officer shall be calculated based on their years of experience plus the amount listed for Chief Probation Officer in a department of 1-3 probation officers.
- 4. The term "Probation Officer" also includes "Chief Probation Officer", "Assistant Chief Probation Officer" and "Supervisor Probation Officer". These terms shall be as defined in the Indiana Probation Standards and consistent with Indiana Code § 11-13-1-3.
- 5. Salaries for experienced probation officers and/or officers having extensive training, or special skills which will be utilized in their duties or responsibilities as a probation officer should be greater than the minimum salaries provided in the schedule.
- Service as a court appointed probation officer in Indiana shall be counted for purposes of the minimum salary schedule.
- 7. There shall be a Chief Probation Officer in each probation department. In addition, there may be an Assistant Chief Probation Officer in those probation departments having a total of nine probation officers or more. In addition, there may be a Supervisor Probation Officer for each eight probation officers in the probation departments having sixteen or more probation officers.
- 8. Salary increases necessary to implement this salary schedule need not exceed 15% of the previous year's salary of the probation officer. However, salary increases shall not be less than 15% until the salary for that probation officer position is in compliance with the salary schedule.
