I. **E & B PAVING, LLC FOUR ADDENDUM’S FOR KARST FARM GREENWAY**

   **Fund Name(s):** Next Level Trails and 2017 GO Bond  
   **Fund Number(s):** 9107 and 4810  
   **Presenter:** Kelli Witmer

   *(This addendum is only to extend the agreement expiration date)*

   The four (4) Agreements listed, pertain to the construction of the Karst Farm Greenway and the Loesch Road trailhead improvements. Due to the complexities of the railroad project and timing of vendor mobilization, Monroe County Parks & Recreation, Indiana Railroad, BRCJ, E & B Paving, and Department of Natural Resources all are recommending extending the agreement expiration dates and project completion dates to September 30, 2022.

J. **RESOLUTION 2022-19; DECLARING SURPLUS REAL ESTATE**

   **Presenter:** Jeff Cockerill

   This Resolution declares certain donated Real Property as Surplus. Included in that donation was the profile parkway extension, the road from the old GE Plant to Gates drive. When this was being discussed it was thought possible that a connection from the Profile Parkway extension to Jonathon Drive was something that could be funded to be constructed as part of the Profile Parkway extension. Long story short, the project costs went up and the Vernal Pike connector received over 7 million in INDOT support, so it was deemed inadvisable to complete the connector road at that time and risk losing the grant dollars. This Ordinance would allow the Commissioners to return the property to the owner.

K. **PURCHASE AGREEMENT FOR CERTAIN FULLERTON PIKE REAL PROPERTY**

   **Fund Name and Fund Number:** TBD  
   **Amount:** $10,020,000 (plus closing costs)  
   **Presenter:** Jeff Cockerill

   This is a purchase agreement for certain Real Property located at the I 69 Fullerton Pike interchange. This agreement is contingent on a more thorough site review, Council Approval, and rezoning of the property. The anticipated use of this property is for facilities related to Criminal Justice.

L. **DLZ SITE REVIEW AGREEMENT FOR FULLERTON PIKE PROPERTY**

   **Fund Name:** County General  
   **Fund Number:** 1000  
   **Amount:** $9,000  
   **Presenter:** Jeff Cockerill

   This agreement is for a site analysis of the Fullerton Pike property.

M. **ENVIRO-FORENSICS, LLC AND VET ENVIRONMENTAL SITE ASSESSMENTS FOR FULLERTON PIKE PROPERTY**

   **Fund Name:** County General  
   **Fund Number:** 1000  
   **Amount:** $1,800 (Enviro-Forensics) and not to exceed $7,000 (VET Environmental)  
   **Presenter:** Jeff Cockerill
This item contains two Phase I environmental reviews. Due to the nature of the property, and the likelihood of significant investment, two vendors are recommended, EnviroForensics, LLC and VET Environmental. The Vet Environmental cost is higher due to additional work such as drainage reconnaissance.

N. **BEAM LONGEST NEFF, LLC AGREEMENT FOR DILLMAN ROAD BRIDGE #83**
   
   **Fund Name:** Cumulative Bridge  
   **Fund Number:** 1135  
   **Amount:** $511,000  
   **Presenter:** Lisa Ridge

The bridge replacement was awarded funding in the last Notice of Funding Availability (NOFA) for FY2027 with INDOT. The funding covers all phases of the replacement at 80% federal funding and 20% local funding.

O. **SHREWSBERRY SUPPLEMENTAL FOR BABY CREEK ROAD RE-DESIGN**
   
   **Fund Name:** Stormwater  
   **Fund Number:** 1197  
   **Amount:** $37,760  
   **Presenter:** Lisa Ridge

The structure had a bid opening on May 18, 2022. The lowest bid was $990,000.00 so it was un-awardable. We have gone back to the consultant to change the design to be more consistent with a concrete box beam bridge that was just installed on North Shore Drive. We will save on construction of the project by the re-design; however, it is a cost. The construction cost savings should exceed what the re-design cost is.

P. **BUTLER, FAIRMAN AND SEUFERT, INC AGREEMENT FOR PEDESTRIAN IMPROVEMENT LOCATIONS**
   
   **Fund Name:** Local Road and Street  
   **Fund Number:** 1169  
   **Amount:** $32,050  
   **Presenter:** Lisa Ridge

The agreement is for preliminary design for seven (7) locations at trail crossings to improve the safety of alternative transportation and traveling motorists. The locations are Dillman Road, Church Lane, Victor Pike, That Road, Rogers Street, Zenith Drive and Old Vernal Pike. The construction and installation are being covered with 90% of HSIP funds through the MPO. We have met with both City Parks and Recreation and the County and they are supportive of the pedestrian improvement being suggested at these locations.

Q. **CARTEGRAPH SOFTWARE MANAGEMENT AGREEMENT RENEWAL**
   
   **Fund Name(s):** MVH, Stormwater and Cumulative Bridge  
   **Fund Number(s):** 1176, 1135 and 1197  
   **Amount:** $121,459.82/3 year term  
   **Presenter:** Lisa Ridge

This is a three (3) year agreement for an asset management program used by several employees in The Department for complaint tracking, inspections, work completed, work requests, etc. The Highway,
Bridge crew, and Stormwater Divisions use this program on a daily basis. The cost of the software is divided out by the three budgets based on the user numbers for each division. The Department has used Cartegraph since 1997.

2. Representations and Warranties of the Grantee.

A. The Grantee expressly represents and warrants to the State that it is statutorily eligible to receive these Grant funds and that the information set forth in its Grant Application is true, complete and accurate. The Grantee expressly agrees to promptly repay all funds paid to it under this Grant Agreement should it be determined either that it was ineligible to receive the funds, or it made any material misrepresentation on its grant application.

B. The Grantee certifies by entering into this Grant Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Grant Agreement by any federal or state department or agency. The term "principal" for purposes of this Grant Agreement is defined as an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.

3. Implementation of and Reporting on the Project.

A. The Grantee shall implement and complete the Project in accordance with Attachment A and with the plans and specifications contained in its Grant Application, which is on file with the State and is incorporated by reference. Modification of the Project shall require prior written approval of the State.

4. Term. This Grant Agreement commences on July 01, 2022 and shall remain in effect through June 30, 2024. Unless otherwise provided herein, it may be extended upon the written agreement of the parties and as permitted by state or federal laws governing this Grant.

5. Grant Funding.
A. The State shall fund this Grant in the amount of $49,751.05. The approved Project Budget is set forth as Attachment B of this Grant Agreement, attached hereto and incorporated herein. The Grantee shall not spend more than the amount for each line item in the Project Budget without the prior written consent of the State, nor shall the Project costs funded by this Grant Agreement and those funded by any local and/or private share be changed or modified without the prior written consent of the State.

C. The funds provided through this Grant are to be used to supplement and not supplant any other appropriations, including local appropriations, made for the same purpose. These funds are being provided to the Grantee to carry out the specific work described herein and are not to be used except as authorized in this Grant Agreement. If the Grantee is a local unit of government, the Grantee shall provide a report back to the State documenting that the appropriate local governing body has appropriated this funding in addition to any existing appropriations.

6. Payment of Claims.
A. If advance payment of all or a portion of the Grant funds is permitted by statute or regulation, and the State agrees to provide such advance payment, advance payment shall be made only upon submission of a proper claim setting out the intended purposes of those funds. After such funds have been expended, Grantee shall provide State with a reconciliation of those expenditures. Otherwise, all payments shall be made thirty five (35) days in arrears in conformance with State fiscal policies and procedures. As required by IC § 4-13-2-14.8, all payments will be by the direct deposit by electronic funds transfer to the financial institution designated by the Grantee in writing unless a specific waiver has been obtained from the Indiana Auditor of State.

B. Requests for payment will be processed only upon presentation of a Claim Voucher in the form designated by the State. Such Claim Vouchers must be submitted with the budget expenditure report detailing disbursements of state, local and/or private funds by project budget line items.

C. The State may require evidence furnished by the Grantee that substantial progress has been made toward completion of the Project prior to making the first payment under this Grant. All payments are subject to the State's determination that the Grantee's performance to date conforms with the Project as approved, notwithstanding any other provision of this Grant Agreement.

D. Claims shall be submitted to the State within twenty (20) calendar days following the end of the month in which work on or for the Project was performed. The State has the discretion, and reserves the right, to NOT pay any claims submitted later than thirty (30) calendar days following the end of the month in which the services were provided. All final claims and reports must be submitted to the State within sixty (60) calendar days after the expiration or termination of this agreement. Payment for claims submitted after that time may, at the discretion of the State, be denied. Claims may be submitted on a monthly basis only, unless otherwise specified in Attachment A or B. If Grant funds have been advanced and are unexpended at the time that the final claim is submitted, all such unexpended Grant funds must be returned to the State.

E. Claims must be submitted with accompanying supportive documentation as designated by the State. Claims submitted without supportive documentation will be returned to the Grantee and
not processed for payment. Failure to comply with the provisions of this Grant Agreement may result in the denial of a claim for payment.

7. Project Monitoring by the State. The State may conduct on-site or off-site monitoring reviews of the Project during the term of this Grant Agreement and for up to ninety (90) days after it expires or is otherwise terminated. The Grantee shall extend its full cooperation and give full access to the Project site and to relevant documentation to the State or its authorized designees for the purpose of determining, among other things:

Copies shall be furnished to the State at no cost.

B. If the Grantee is a “subrecipient” of federal grant funds under 2 C.F.R. 200.331, Grantee shall arrange for a financial and compliance audit that complies with 2 C.F.R. 200.500 et seq. if required by applicable provisions of 2 C.F.R. 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements).

C. If the Grantee is a non-governmental unit, the Grantee shall file the Form E-1 annual financial report required by IC § 5-11-1-4. If the Grantee is not familiar with these ethical requirements, the Grantee should refer any questions to the Indiana State Ethics Commission, or visit the Inspector General's website at [http://www.in.gov/ig/](http://www.in.gov/ig/). If the Grantee or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Grant immediately upon notice to the Grantee. 13. Debarment and Suspension.

The Prosecuting Attorney certifies that it has verified the suspension and debarment status for all subcontractors, if any, directly receiving funds under this Contract and shall be solely responsible for any recoupments or penalties that might arise from non-compliance. The Prosecuting Attorney shall immediately notify the FSSA if any subcontractor becomes debarred or suspended, and shall, at the FSSA’s request, take all steps required by the FSSA to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

If the State, sixty (60) days after receipt of written notice, fails to correct or cure any breach of this Contract, the Prosecuting Attorney may cancel and terminate this Contract and institute the appropriate measures to collect monies due up to and including the date of termination.

15. Disputes.

A. Should any disputes arise with respect to this Contract, the Prosecuting Attorney and the State agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.

B. The Prosecuting Attorney agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the Prosecuting Attorney fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the State or the Prosecuting Attorney as a result of such failure to proceed shall be borne by the Prosecuting Attorney, and the Prosecuting Attorney shall make no claim against the State for such costs.
C. If the parties are unable to resolve a contract dispute between them after good faith attempts to do so, a dissatisfied party shall submit the dispute to the Commissioner of the Indiana Department of Administration for resolution. The dissatisfied party shall give written notice to the Commissioner and the other party. The notice shall include: (1) a description of the disputed issues, (2) the efforts made to resolve the dispute, and (3) a proposed resolution. The Commissioner shall promptly issue a Notice setting out documents and materials to be submitted to the Commissioner in order to resolve the dispute; the Notice may also afford the parties the opportunity to make presentations and enter into further negotiations. Within thirty (30) business days of the conclusion of the final presentations, the Commissioner shall issue a written decision and furnish it to both parties. The Commissioner’s decision shall be the final and conclusive administrative decision unless either party serves on the Commissioner and the other party, within ten business days after receipt of the Commissioner’s decision, a written request for reconsideration and modification of the written decision. If the Commissioner does not modify the written decision within thirty (30) business days, either party may take such other action helpful to resolving the dispute, including submitting the dispute to an Indiana court of competent jurisdiction. If the parties accept the Commissioner’s decision, it may be memorialized as a written Amendment to this Contract if appropriate.

D. The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Prosecuting Attorney of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for the Prosecuting Attorney to terminate this Contract, and the Prosecuting Attorney may bring suit to collect these amounts without following the disputes procedure contained herein.

E. With the written approval of the Commissioner of the Indiana Department of Administration, the parties may agree to forego the process described in subdivision C relating to submission of the dispute to the Commissioner.

F. This paragraph shall not be construed to abrogate provisions of IC § 4-6-2-11 in situations where dispute resolution efforts lead to a compromise of claims in favor of the State as described in that statute. In particular, releases or settlement agreements involving releases of legal claims or potential legal claims of the state should be processed consistent with IC § 4-6-2-11, which requires approval of the Governor and Attorney General.

Deleted; not applicable.

17. Employment Eligibility Verification.

As required by IC § 22-5-1.7, the Prosecuting Attorney swears or affirms under the penalties of perjury that the Prosecuting Attorney does not knowingly employ an unauthorized alien. The Prosecuting Attorney further agrees that:

A. The Prosecuting Attorney shall enroll in and verify the work eligibility status of all his/her/its newly hired employees through the E-Verify program as defined in IC § 22-5-1.7-3. The Prosecuting Attorney is not required to participate should the E-Verify program cease to exist. Additionally, the Prosecuting Attorney is not required to participate if the Prosecuting Attorney is self-employed and does not employ any employees.

B. The Prosecuting Attorney shall not knowingly employ or contract with an unauthorized alien. The Prosecuting Attorney shall not retain an employee or contract with a person that the Prosecuting Attorney subsequently learns is an unauthorized alien.

C. The Prosecuting Attorney shall require his/her/its subcontractors, who perform work under this Contract, to certify to the Prosecuting Attorney that the subcontractor does not knowingly
employ or contract with an unauthorized alien and that the subcontractor has enrolled and is participating in the E-Verify program. The Prosecuting Attorney agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor.

The State may terminate for default if the Prosecuting Attorney fails to cure a breach of this provision no later than thirty (30) days after being notified by the State.

18. Employment Option.

Deleted.

In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a "Force Majeure Event"), the party who has been so affected shall immediately or as soon as is reasonably possible under the circumstances give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

20. Funding Cancellation.

As required by Financial Management Circular 3.3 and IC § 5-22-17-5, when the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of performance of this Contract, this Contract shall be canceled. A determination by the Director of State Budget Agency that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

This Contract shall be governed, construed, and enforced in accordance with the laws of the State of Indiana, without regard to its conflict of laws rules. Suit, if any, must be brought in the State of Indiana.

22. HIPAA Compliance.

If this Contract involves services, activities or products subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Prosecuting Attorney covenants that it will appropriately safeguard Protected Health Information (defined in 45 CFR §160.103), and agrees that it is subject to, and shall comply with, the provisions of 45 CFR 164 Subpart E regarding use and disclosure of Protected Health Information.

23. Independent Contractor; Workers’ Compensation Insurance.

The Prosecuting Attorney is performing as an independent entity under this Contract. No part of this Contract shall be construed to represent the creation of an employment, agency, partnership or joint venture agreement between the parties. Neither party will assume liability for any injury (including death) to any persons, or damage to any property, arising out of the acts or omissions of the agents, employees or subcontractors of the other party. The Prosecuting Attorney shall provide all necessary unemployment and workers’ compensation insurance for the Prosecuting Attorney’s APS employees and shall provide the State with a Certificate of Insurance evidencing such coverage prior to starting work under this Contract.

Furthermore, Prosecuting Attorney certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. DUTIES OF THE MONROE COUNTY PROSECUTING ATTORNEY ("PROSECUTING ATTORNEY")

Pursuant to Indiana Code §12-10-3-7, the Indiana Family and Social Services Administration (FSSA) shall provide coverage for the services required for adult protective services (APS). Protective services are "available medical, psychiatric, residential, and social services that are necessary to protect the health or safety of an endangered adult." IC §12-10-3-5. The FSSA enters into this contract with the Prosecuting Attorney to act on the FSSA's behalf to fulfill the requirements of IC §12-10-3-7 and 455 Indiana Administrative Code 1-2, as detailed in this document.

A. Purpose.

1. The Prosecuting Attorney shall maintain or establish and supervise an APS unit within the designated service area, as set forth in the contract to ensure:
   
a. Initiation of consistent and efficient procedures to protect the endangered adult through intake, investigation, protective services, care planning and the facilitation of medical, social service, legal, economic and other supportive services, whereby the least restrictive protective services necessary will be made available to the endangered adult.
   
b. Procurement and facilitation of emergency services and housing when an endangered adult is in a "life threatening emergency," as defined by IC §12-10-3-2 and IC §12-10-3-4, and requires APS intervention.
   
c. Monitoring of protective services provided to an endangered adult to determine the implementation and effectiveness of the services.
   
d. Establishment and implementation of a consultation and review process between the investigator and the unit director, and documentation in the case file, at the following key case decision points: case assignment, investigation planning, determination of findings, service planning, legal intervention, and case closure as appropriate in the individual case.

B. Staffing.

1. The Prosecuting Attorney agrees to provide a minimum of one (1) full-time equivalent APS investigator to investigate complaints, reports and referrals of alleged battery, neglect or exploitation of endangered adults, as those terms are defined in I.C. ch.12-10-3. If the Prosecuting Attorney employs more than one APS investigator, the Prosecuting Attorney shall designate one (1) investigator as the APS unit director responsible for unit administration and supervision of assigned APS staff.

2. The Prosecuting Attorney shall designate a point of contact, in writing, and if no point of contact is specified the unit director will serve as the FSSA's point of contact regarding adult protective services issues. This designation authorizes the point of contact to speak for and make recommendations on behalf of the Prosecuting Attorney, to participate in collaborative working groups with the FSSA to improve APS policy, processes and technology. At the option of the Prosecuting Attorney, Prosecuting Attorneys will be copied on APS emails.

3. The Prosecuting Attorney shall ensure that all APS staff are employees of the Prosecuting Attorney's Office.

4. Only APS unit directors, APS investigators, data intake specialists, APS case monitors, or attorneys performing APS services will be funded by this Agreement. No other type of

staff function will be funded by this contract without the express written consent of the Executive Director, Division of Aging.

5. The Prosecuting Attorney shall establish, in writing, the cost allocation for all shared employees.
   a. A shared employee is one who splits the employee’s time between APS duties and other duties within the county prosecutor’s office.
   b. The cost allocation will document the basis for the allocation. The basis is the average hours per week devoted to APS tasks. For example, if an administrative assistant or deputy prosecutor is a full-time employee, and is devoting an average of twenty (20) hours per week to APS tasks, 50% of the employee’s salary can come from the APS account.
   c. Proper cost allocation is subject to FSSA audit.

C. Duties.

1. The Prosecuting Attorney will perform, in good faith, the duties under IC §12-10-3-8 and 455 IAC 1-2-5.

2. The Prosecuting Attorney, in compliance with IC §12-10-3-7(b), will abide by the notification provisions provided in IC §12-10-3-21(4) and IC §12-10-3-28(b)(5) pertaining to a petition for an emergency protective order for an alleged endangered adult or a petition to require an alleged endangered adult to receive protective services.

3. The Prosecuting Attorney will comply with all statements, assurances and provisions set forth in any request for proposal, plan, budget, or other documents submitted and approved by the State for the purposes of obtaining funding under this Agreement.

4. lease Agreement: You agree to lease from us the equipment described under “ITEM DESCRIPTION” and on any attached Schedule (hereinafter, with all replacement parts, repairs, additions and accessories, referred to as the “Equipment”) and as modified by Supplements to this Agreement from time to time signed by you and us. You authorize us to insert or correct missing information on this Agreement, including your accurate legal name, serial numbers and any other information describing the Equipment. You authorize us to change the amount of each Payment (set forth on page 1 of this Agreement) by not more than 15% due to changes in the Equipment occurred prior to the end of the term of this Agreement. The Equipment is the subject of any other agreement with us. You agree to provide us with a correct estimate of the prorated equivalent of such taxes. You agree to pay us an administrative fee for the processing of such taxes. We may make a profit on such a fee.

10. Risk of Loss: Insurance: You are responsible for risk of loss or for any destruction of or damage to the Equipment. No loss or damage shall relieve you from the payment obligations under this Agreement. You agree to keep the Equipment fully insured at all times. You shall name us as additional insured. Upon request, you agree to provide us certificates of insurance acceptable to us. If you fail to comply with this requirement within 30 days after the start of this Agreement: (a) we have the right but no obligation to obtain insurance covering our interest (and only our interest) in the Equipment for the lease term, and renewals. Any insurance we obtain will not insure against third party or liability claims and may be cancelled by us at any time. You will be required to pay us an additional amount each month for the insurance and administrative fees. The costs of obtaining the insurance of which we have no duty to provide will be your responsibility. (b) if the Equipment is lost, stolen or damaged, you will at your option and cost, repair the Equipment or purchase new Equipment of similar value, (c) we may charge you a monthly property damage surcharge of up to .005% of the Equipment cost as a result of our credit risk and administrative and other costs, as would be further described on a letter from us to you. We may make a profit on this program. Once an acceptable certificate of insurance is submitted, any such fees will be discontinued. If any of the Equipment is lost, stolen or damaged you will at your option and cost, either (a) repair the item with a comparable item reasonably acceptable to us, or (b) pay us the sum set forth in the Remedies section.

11. Software: You agree that this Agreement qualifies as a statutory Finance Lease under Article 2A of the Uniform Commercial Code. To the extent you are permitted by applicable law, we waive all rights and remedies provided by Article 2A (sections 9-522) of the Uniform Commercial Code.

12. Statutory Finance Lease: You authorize us to file a financing statement with the respect to the Equipment. If this Agreement is deemed to be a secured transaction, you grant us a security interest in the Equipment to secure all amounts you owe us under any agreement with us.

13. Use of Equipment: YOU WILL USE THE EQUIPMENT ONLY IN THE LAWFUL CONDUCT OF YOUR BUSINESS AND NOT FOR PERSONAL, HOUSEHOLD OR FAMILY PURPOSES. You will not move the Equipment from the equipment location listed on page 1 without our advance written consent. You will make us reasonable access to the Equipment so that we can check the Equipment’s existence, condition and proper maintenance. At your cost, you will keep the Equipment in good repair, condition and working order, ordinary wear and tear excepted. You will not make any permanent alterations to the Equipment. You will keep the Equipment free and clear of all liens. You assign to us all of your rights, but none of your obligations, under any purchase agreement for the Equipment. We assign to you all of your rights under any guaranties, if any, you have given.

14. Quarterly Financial Statements: You agree to provide to us for each quarter a financial statement in such form as we may demand, setting forth a true and correct statement of the financial condition of your business, including cash and cash equivalents. In the event you will promptly restore the security deposit to its full amount as set forth above. If all conditions are fully complied with and provided you have not ever been in default of the Agreement in the Default section, the security deposit will be refunded to you after the return of the equipment in accordance with the Return of Equipment section.

15. Warranty: We MAKE NO WARRANTY EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THAT THE EQUIPMENT IS FIT FOR A PARTICULAR PURPOSE OR THAT THE EQUIPMENT IS MERCHANTABILITY. YOU AGREE THAT YOU HAVE SELECTED EACH ITEM OF EQUIPMENT BASED UPON YOUR OWN JUDGMENT AND DISCLAIM ANY RELIANCE UPON ANY STATEMENTS OR REPRESENTATIONS MADE BY US OR OUR AGENTS. ALL WARRANTIES IMPLIED BY LAW ARE DISCLAIMED. YOU HAVE NO RIGHTS AGAINST US FOR DAMAGES FOR LOSS OF PROFITS OR ANY OTHER SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES. YOU AGREE THAT YOU WILL NOT BE RESPONSIBLE TO PAY ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR ANY DEFAULT BY US UNDER THIS AGREEMENT.

16. Governing Law: Both PARTIES AGREE TO WAIVE ALL RIGHTS TO A JURY TRIAL. This Agreement and any supplement shall be deemed fully executed and performed in the state in which (or, if we assign this Agreement, our assignee’s) principal place of business is located and shall be governed by and construed in accordance with its laws. Any dispute concerning this Agreement will be adjudicated in a federal or state court in such state. You hereby consent to personal jurisdiction and venue in such courts and waive transfer of venue.

17. Personal Property Tax: You agree at our discretion to (a) reimburse us annually for all personal property and similar taxes associated with the ownership, possession or use of the Equipment or (b) remit to us each billing period our estimate of the prorated equivalent of such taxes. You agree to pay us an administrative fee for the processing of such taxes. We may make a profit on such a fee.

18. Indemnification: You agree to indemnify us for all losses resulting from the income tax benefits of the Equipment or omission of the Equipment from the calculation of your income tax. We will not accept payment in cash. If you so request, and we permit the early termination of this Agreement, you agree to pay us a fee for such privilege. You agree that any delay or failure to enforce our rights under this Agreement does not prevent us from enforcing any rights at a later time. In no event will we charge or collect any amounts in excess of those allowed by applicable law. Time is of the essence. You know and acknowledge that we have factored the Equipment. We are the manufacturer of the Equipment. PMs may be performed during the course of an Emergency Service Call and are upon the specific needs of the individual equipment as determined by TBS. Maintenance will include lubrication, adjustments and replacement of maintenance parts deemed necessary by TBS. Maintenance parts will normally be either new or equivalent to new in performance when installed in the equipment. Maintenance parts will be furnished on an exchange basis and the replaced parts become the property of TBS. Service provided under this Contract does not assure the uninterrupted operation of the equipment.

5. INVOICE - LATE CHARGES. First Minimum Payment is due upon receipt of an invoice. Thereafter, Minimum Payments will be due on the same date each month during the term of this Contract whether or not Customer receives an invoice. Customer’s obligation to pay the Minimum Payment is unconditional and is not subject to any reduction, set-off, defense, or counterclaim for any reason whatsoever. Excess Charge, if applicable, will be invoiced based on the billing period selected on the face of this contract.

If any part of a payment is not made by the Customer when due, Customer agrees to pay TBS a Late Charge of the higher of $25 or two percent (2%) of each such late payment, but not more than permitted by law. Customer agrees to pay TBS the Late Charge not later than one (1) month following the date of the original Minimum Payment.

6. USAGE. In return for the Minimum Payment, Customer is entitled to use the Minimum Number of Units each billing period. If Customer uses more than the Minimum Number of Units in any billing period, Customer will pay an additional amount equal to the number of metered Units exceeding the agreed Minimum Included Units times the Excess Charge as shown on the face of this Contract. Customer acknowledges that in no event shall the Customer be entitled to any refund or rebate of the Minimum Payment if metered units result in less than the Minimum Number of Units in any billing period.

Your Toshiba system will come with two-way communication enabled. TBS will provide updates, system back ups, and meter collection automatically. Please advise if you do not wish to have this feature enabled. TBS may estimate the number of units used if requested Meter Readings are not received before a new billing period begins. TBS will adjust the estimated charge for Excess Units upon receipt of actual Meter Readings. Notwithstanding any adjustment, the Customer will never pay less than the Minimum Payment. Customer agrees to pay TBS a Late Charge of the higher of $25 or two percent (2%) of each such late payment, but not more than permitted by law.

Customer agrees to pay TBS a Late Charge of the higher of $25 or two percent (2%) of each such late payment, but not more than permitted by law. Customer agrees to pay TBS the Late Charge not later than one (1) month following the date of the original Minimum Payment.

7. CONSUMABLE SUPPLIES. TBS agrees to furnish consumable supplies (ink, toner and non-toner containers for the term of the Contract, except as excluded in section 12 below). Customer is responsible for ordering supplies to assure ample time for delivery. TBS may charge a service fee to cover our cost of shipping supplies to you. TBS will determine the number of supplies to be shipped based on the Minimum Number of Units and Excess Units metered. It determines that the Customer has used more than fifteen (15%) percent of supplies than normal for the number of metered units, based on yields published by the manufacturer, Customer agrees to pay TBS’s customary charges for all excess supplies.

Current TBS-supplied inkjet printer toner is genuine OEM toner. Unauthorized non-OEM toner will not be supported.

All supplies delivered as part of this Contract remain the property of TBS until and unless they are consumed by the equipment in the performance of this Contract. Any supplies not consumed as specified and not surrendered to TBS upon expiration or termination of this Contract will be invoiced to the Customer at the then current prices. Customer agrees to provide insurance coverage for supplies in case of loss under any circumstances. Notwithstanding the foregoing, the risk of loss of the consumable supplies shall be transferred from TBS to Customer if such consumable supplies are stored at Customer’s facility.

9. TAXES. In addition to the charges due under this Contract, the Customer agrees to pay amounts equal to any taxes resulting from this Contract, or any activities hereunder, exclusive of taxes based upon net income.

10. KEY OPERATOR - END-USER TRAINING. Customer agrees to designate a Key Operator for training on the use, applications and features of the equipment. The Key Operator will be responsible for normal Key Operator activities as detailed in the Operators Manual and for training additional end-users. If the Key Operator assignment changes Customer agrees to designate a new Key Operator immediately. TBS agrees to provide training for the designated Key Operator and to provide initial training for end-users on the use, applications and features of the equipment. Additional training requested by Customer after thirty (30) days from Installation will be at TBS normal hourly rates.

Customer will be notified of Equipment found to require immediate repairs. Customer, at its option, may elect to have said Equipment repaired at the then current hourly service labor rate plus parts or to elect the unit having excluded from this Agreement. (b) To qualify for coverage under this Agreement each piece of Customer Owned Equipment must have been used by the Customer for a stated minimum life of at least 25% (twenty five percent) of its capacity. For any Equipment falling under that level, Customer will be responsible for replacing and/or purchasing the initial consumables required to restore the device to the 25% level. (c) Service of printers under this agreement will possibly include replacement parts that have been used and/or reconditioned. Parts that have been replaced will remain the property of TBS. *Customer: THIS FORM IS PROVIDED FOR YOU TO APPROVE, COMPLETE AND SEND TO YOUR INSURANCE AGENT.
What is Toshiba’s Automated Meter Read Program (AMR)?  As part of your service contract with TBS, you are required to report usage data for all your printers, copiers, and multifunction devices. With manual reporting, you must go to each device, record the serial numbers and meter readings, and submit this information via email, fax or phone. Toshiba’s AMR program automatically gathers usage data for each device and sends it securely to TBS at scheduled intervals. The result is more accurate and timely reporting, fewer billing errors, and less busy work for you.

How much does Toshiba AMR cost me?
Nothing. Ever.

What information does AMR gather?
The automated meter reading system captures all required information for billing purposes; Machine model, Serial number, and usage information.

Is the transmission secure?
Yes. Data is completely secure.

Toshiba Business Solutions IT Team will work with you to set up equipment meter collections in the priority listed below:

1 Automated Meter Read (e-Bridge CloudConnect)
   Your Toshiba system will be equipped with two-way communication capabilities. TBS will provide updates, system back ups, and meter collection automatically. Equipment MUST be connected to your network.

2 Automated Meter Read (On Site Software)
   TBS will provide free AMR software that will automatically pull meter information and input into TBS billing system. Equipment MUST be connected to your network.

3 Meters Online (MOL)
   An automatic meter request is sent to the End User directly from the TBS billing system. End User collects the meter readings and goes to http://meters.toshiba.com and enters the meters online manually.
   All meters submitted via online are electronically imported into the TBS billing with no manual entry or interaction by TBS.

TBS may charge a fee to recover the cost of meter collections if meters are not submitted through the automated website. TBS reserves the right to convert Customer to a flat fee, based upon the greater of a specific unit’s historical average volume or the device type’s midpoint manufacturer recommended volume, if meters are not made available for the device(s) after 3 consecutive billing periods.

Electronic Invoicing Choice:
Toshiba is committed to the environment through its worldwide green initiatives. One of the primary goals of Toshiba’s green initiatives is environmental management through corporate social responsibility. One of TBS’s Eco-Innovation initiatives is to convert to electronic invoicing whenever possible. Converting to electronic invoicing will enable TBS to decrease its consumption of environmental resources tremendously.

Addendum to Agreement # 2908338 and any future supplements/schedules thereto, between COUNTY OF MONROE, as Customer ("Customer") and Toshiba Financial Services, as Lessor. The words "you" and "your" refer to Customer. The words "we" and "us" refer to Lessor. In the event of any conflict between the terms and conditions of this Agreement and this Addendum, the terms and conditions of this Addendum shall control, and in the event of any conflict between the general provisions of this Addendum and any provision of this Addendum that expressly applies to you only if you are a political subdivision, county, city, or school district of specific state ("State-Specific Provision"), then the State Specific Provision shall control.

1. The parties wish to amend the above-referenced Agreement by adding the following language:

**REPRESENTATIONS AND WARRANTIES OF CUSTOMER:** You hereby represent and warrant to us that: (i) you have been duly authorized under the Constitution and laws of the applicable jurisdiction and by a resolution or other authority of your governing body to execute and deliver this Agreement and to carry out your obligations hereunder; (ii) all legal requirements have been met, and procedures have been followed, including public bidding, in order to ensure the enforceability of this Agreement; (iii) this Agreement is in compliance with all laws applicable to you, including any debt limitations or limitations on interest rates or finance charges; (iv) the Equipment will be used by you only for essential governmental or proprietary functions of you consistent with the scope of your authority, will not be used in a trade or business of any person or entity, by the federal government or for any personal, family or household use, and your need for the Equipment is not expected to diminish during the term of this Agreement; (v) you have funds available to pay Payments until the end of your current appropriation period, and you intend to request funds to make Payments in each appropriation period, from now until the end of the term of this Agreement; and (vi) your exact legal name is as set forth on page one of this Agreement.

**INITIAL TERM AND RENEWAL TERM(S):** The term of the Agreement consists of an initial term beginning on the date we pay Supplier and ending at the end of your fiscal year in which we pay Supplier, and a series of renewal terms, each co-extensive with your fiscal year. Except to the extent required by applicable law, if you do not exercise your right to terminate the Agreement under the Non-Appropriation or Renewal paragraph as of the end of any fiscal year, the Agreement will be deemed automatically renewed for the next succeeding renewal term.

An election by you to terminate the Agreement under the Non-Appropriation or Renewal paragraph is not a default.

Notwithstanding anything to the contrary set forth in the Agreement, if we cancel the Agreement following a default by you, we may require that you pay the unpaid balance of Payments under the Agreement through the end of your then-current fiscal year, but we may not require you to pay future Payments due beyond that fiscal year or the anticipated residual value of the Equipment. If we sell the Equipment following a default by you, you will not be responsible for a deficiency, except to the extent of our costs of repossession, moving, storage, repair and sale, and our attorneys' fees and costs.

**NON-APPROPRIATION OR RENEWAL:** If either sufficient funds are not appropriated to make Payments or any other amounts due under this Agreement or (to the extent required by applicable law) this Agreement is not renewed either automatically or by mutual ratification, this Agreement shall terminate and you shall not be obligated to make Payments under this Agreement beyond the then-current fiscal year for which funds have been appropriated. Upon such an event, you shall, no later than the end of the fiscal year for which Payments have been appropriated or the term of this Agreement has been renewed, deliver possession of the Equipment to us. If you fail to deliver possession of the Equipment to us, the termination shall nevertheless be effective but you shall be responsible, to the extent permitted by law and legally available funds, for the payment of damages in an amount equal to the portion of Payments thereafter coming due that is attributable to the number of days after the termination during which you fail to deliver possession and for any other loss suffered by us as a result of your failure to deliver possession as required. You shall notify us in writing within seven days after (i) your failure to appropriate funds sufficient for the payment of the Payments or (ii) to the extent required by applicable law, (a) this Agreement is not renewed or (b) this Agreement is renewed by you (in which event this Agreement shall be mutually ratified and renewed), provided that your failure to give any such notice under clause (i) or (ii) of this sentence shall not operate to extend this Agreement or result in any liability to you.

**SUPPLEMENTS; SEPARATE FINANCINGS:** To the extent applicable, in the event that the parties hereafter mutually agree to execute and deliver any supplemental agreement or schedule ("Supplement") under the above-referenced Agreement, such Supplement, as it incorporates the terms and conditions of the Agreement, shall be a separate financing distinct from the Agreement or other Supplements thereto. Without limiting the foregoing, upon the occurrence of an event of default or a non-appropriation event with respect to the Agreement or a Supplement (each, a separate "Contract"), as applicable, we shall have the rights and remedies specified in the Agreement with respect to the Equipment financed and the Payments payable under such Contract, and we shall have no rights or remedies with respect to Equipment financed or Payments payable under any other Contract unless an event of default or non-appropriation event has also occurred under such other Contract.

2. The parties wish to amend the above-referenced Agreement by restating certain language as follows:

Any provision in the Agreement stating that you shall indemnify and hold us harmless is hereby amended and restated as follows: "You shall not be required to indemnify or hold us harmless against liabilities arising from this Agreement. However, as between you and us, and to the extent permitted by law and legally available funds, you are responsible for and shall bear the risk of loss for, shall pay directly, and shall defend against any and all claims, liabilities, proceedings, actions, expenses, damages or losses arising under or related to the Equipment, including, but not limited to, the possession, ownership, lease, use or operation thereof, except that you shall not bear the risk of loss of, nor pay for, any claims, liabilities, proceedings, actions, expenses, damages or losses that arise directly from events occurring after you have surrendered possession of the Equipment in accordance with the terms of this Agreement to us or that arise directly from our gross negligence or willful misconduct." Any provision in the Agreement stating that the Agreement is governed by a particular state's laws and you consent to such jurisdiction and venue is hereby amended and restated as follows: "This Agreement will be governed by and construed in accordance with the laws of the state where you are located. You consent to jurisdiction and venue of any state or federal court in such state and waive the defense of inconvenient forum."

Any provision in the Agreement stating this Agreement supersedes any invoice and/or purchase order is hereby amended and restated as follows: "You agree that the terms and conditions contained in this Agreement, which, with the acceptance certification, is the entire agreement between you and us regarding the Equipment and which supersedes any purchase order, invoice, request for proposal, response or other related document."

Any provision in the Agreement stating that this Agreement shall automatically renew unless the Equipment is purchased, returned or a notice requirement is satisfied is hereby amended and restated as follows: "Unless the purchase option is $1.00 or $101.00, you agree to send us written notice at least 30 days before the end of the final renewal term that you want to purchase or return the Equipment, and you agree to so purchase or return the Equipment not later than the end of the final renewal term. If you fail to so purchase or return the Equipment at or before the end of the final renewal term, you shall be a holdover tenant with respect to this Agreement and the Equipment, and this Agreement shall renew on a month-to-month basis under the same terms hereof until the Equipment has been purchased or returned."

Any provision in the Agreement stating that we may assign this Agreement is hereby amended and restated as follows: "We may sell, assign, or transfer this Agreement without notice to or consent from you, and you waive any right you may have to such notice or consent."

Any provision in the Agreement stating that you grant us a security interest in the Equipment to secure all amounts owed to us under any agreement is hereby amended and restated as follows: "To the extent permitted by law, you grant us a security interest in the Equipment to secure all amounts you owe us under this Agreement and any supplements hereto. You authorize and ratify our filing of any financing statement(s) and the naming of us on any vehicle title(s) to show our interest."

Any provision in the Agreement stating that a default by you under any agreement with our affiliates or other lenders shall be an event of default under the Agreement is hereby amended and restated as follows: "You will be in default if: (i) you do not pay any Payment or other sum due to us under this Agreement when due or you fail to perform in accordance
with the covenants, terms and conditions of this Agreement; (ii) you make or have made any false statement or misrepresentation to us; or (iii) you dissolve, liquidate, terminate your existence or are in bankruptcy.

Any provision in the Agreement stating that you shall pay our attorneys’ fees is hereby amended and restated as follows: “In the event of any dispute or enforcement of rights under this Agreement or any related agreement, you agree to pay, to the extent permitted by law and to the extent of legally available funds, our reasonable attorneys’ fees (including any incurred before or at trial, on appeal or in any other proceeding), actual court costs and any other collection costs, including any collection agency fee.”

Any provision in the Agreement requiring you to pay amounts due under the Agreement upon the occurrence of a default, failure to appropriate funds or failure to renew the Agreement is hereby amended to limit such requirement to the extent permitted by law and legally available funds.

3. If your end-of-term option is the purchase of all Equipment for $1.00 or $101.00, the following applies: Unless otherwise required by law, upon your acceptance of the Equipment, title to the Equipment shall be in your name, subject to our interest under this Agreement; provided, however, that if you are a political subdivision of any of the States of Colorado, Georgia, Louisiana, Minnesota, Ohio or Oklahoma, and if your end-of-term option is the purchase of all Equipment for $1.00 or $101.00, title to the Equipment shall be in our name, subject to your interest under the Agreement.

4. With respect to any “Financed Items,” the following provisions shall be applicable to such Financed Items:

This Addendum concerns the granting to you of certain software and/or software license(s) (“Licensed Software”), the purchase by you of certain software components, including but not limited to, software maintenance and/or support (“Products”) and/or the purchase by you of certain implementation, integration, training, technical consulting and/or professional services in connection with software (“Services”) (collectively, the “Financed Items”) from software licensor(s) and/or supplier(s) (collectively, the “Supplier”), all as further described in the agreement(s) between you and Supplier (collectively, the “Product Agreement”). For essential governmental purposes only, you have requested and we have agreed that instead of paying the fees pursuant to the Product Agreement to Supplier for the Financed Items, we will satisfy your obligation to pay such fees to Supplier, and in consideration thereof, you shall repay the sums advanced by us to Supplier by promptly making certain installment payments to us, which are included in the Payments set forth in the Agreement.

To the extent permitted by law, you grant us a security interest in the license(s), including without limitation, all of your rights in the Licensed Software granted thereunder, the Products, all rights to payment under the Product Agreement, the Financed Items, and all proceeds of the foregoing to secure all amounts you owe us under this Agreement. You authorize and ratify our filing of any financing statement(s) to show our interest.

Ownership of any Licensed Software shall remain with Supplier therefor. All Financed Items shall be provided by a Supplier unrelated to us, and your rights with respect to such Financed Items shall be governed by the Product Agreement between you and Supplier, which shall not be affected by this Agreement. IN NO EVENT SHALL WE HAVE ANY OBLIGATION TO PROVIDE ANY FINANCED ITEMS, AND ANY FAILURE OF SUPPLIER TO PROVIDE ANY FINANCED ITEMS SHALL NOT EXCUSE YOUR OBLIGATIONS TO US IN ANY WAY. YOU HAVE SELECTED SUPPLIER AND THE FINANCED ITEMS BASED UPON YOUR OWN JUDGMENT. WE DO NOT TAKE RESPONSIBILITY FOR THE INSTALLATION OR PERFORMANCE OF THE FINANCED ITEMS. SUPPLIER IS NOT AN AGENT OF OURS AND WE ARE NOT AN AGENT OF SUPPLIER, AND NOTHING SUPPLIER STATES OR REPRESENTS SHALL CONSTITUTE A WARRANTY, WHETHER EXPRESS OR IMPLIED, OF ANY KIND OR NATURE.

The following shall be additional remedies we have for your default under the Agreement: We shall have the right to: (a) cause the termination of the Financed Items and you irrevocably consent to such termination of the Financed Items by Supplier; and (b) require you to immediately stop using the Financed Items (regardless of whether you are in default under the Product Agreement) and you shall, at our option, either deliver to us a certification executed by a duly authorized officer certifying that you have ceased use of the Financed Items or deliver the Financed Items to a location designated by us. In the event you are required to transfer any such right to use the Financed Items to any third party selected by us and acknowledge that you shall have no right to fees payable by any third party in connection with such transfer, However, we shall not be required to mitigate our damages caused by a default by transferring any Financed Items to a third party.

5. If you are a political subdivision of the State of Arizona, the following applies: We understand that you may cancel the Agreement within three years after the start date of the Agreement if any person significantly involved in negotiating, drafting, securing or obtaining the Agreement for or on your behalf becomes, during the term of the Agreement, our employee or agent or becomes, during the term of the Agreement, a consultant to us with respect to the subject matter of the Agreement.

6. If you are a school district in the State of California and your end-of-term option is the purchase of all Equipment for $1.00 or $101.00, the following applies: You will be deemed to have acquired title to the Equipment from the Supplier on the date we pay for it, and you hereby sell, transfer and convey the Equipment to us on that date. You represent to us that the resolution of your governing body authorizing the execution and delivery of the Agreement contained a finding that the Equipment is a major item of equipment or data processing equipment and that the sale and leaseback of the Equipment was the most economical means of providing the Equipment to you.

7. If you are a political subdivision of the State of Florida, the following applies: We agree that there is no intention to create under the Agreement a right in us to dispossess you involuntarily of your interest in or the right of use of the Equipment. We hereby irrevocably waive any right to specific performance of your covenant to return possession of the Equipment to us if you default or exercise your right not to appropriate funds to make Payments. We acknowledge that Payments may not be payable from ad valorem taxes, and in no event may we compel the use of ad valorem taxing power for you to make Payments. If the end-of-term option for the Agreement is the purchase of all Equipment for $1.00 or $101.00, you agree that you will give all notices and file all reports with the State Division of Finance as may be required in connection with the Agreement by Florida Statutes Annotated Section 218.38 and the rules adopted thereunder.

You will have the right to terminate the Agreement pursuant to the Non-Appropriation or Renewal paragraph at the end of each calendar year, and at the end of each fiscal year, if sufficient funds are not appropriated for such fiscal year or calendar year to make Payments. If you do not exercise your right to terminate this Agreement pursuant to the Non-Appropriation or Renewal paragraph at the end of any calendar year or fiscal year, the Agreement will be deemed to have been automatically renewed for the next calendar year or fiscal year, as applicable.

Executive Summary:

This Resolution declares certain donated Real Property as Surplus. Included in that donation was the profile parkway extension, the road from the old GE Plant to Gates drive. When this was being discussed it was thought possible that a connection from the Profile Parkway extension to Jonathon Drive was something that could be funded to be constructed as part of the Profile Parkway extension. Long story short, the project costs went up and the Vernal Pike connector received over 7 million in INDOT support, so it was deemed inadvisable to complete the connector road at that time and risk losing the grant dollars. This Ordinance would allow the Commissioners to return the property to the owner.

CONTRACT FOR PURCHASE OF REAL ESTATE

Monroe County Indiana, an Indiana Government entity ("Purchaser"), and Bill C. Brown Revocable Trust ("Seller"), agree as follows:

1. **Property.** Subject to the terms and conditions contained herein, the Purchaser agrees to purchase and the Seller agrees to sell real estate and other property located in Bloomington, Monroe County, Indiana, shown on the attached Exhibit A, and including all improvements thereto either permanently installed, or which belong to or are used in connection with the real estate, wherever located (all referred to as the "Property"). *See also* the attached Exhibit B (Legal Descriptions of Parcel) which further describes the Property.

2. **Purchase Price.** The purchase price shall be Ten Million Twenty Thousand ($10,020,000) or the average of two appraisals obtained pursuant to Indiana Code ("Purchase Price"). On closing this transaction, the Purchaser shall pay the Purchase Price to the Seller.

3. **Conditions of Contract.** In addition to other provisions of this Contract, the Purchaser's obligations hereunder are subject to satisfaction of the following conditions, unless waived in whole or in part by the Purchaser:

   3.1 **Financing and County Council Approval.** The Purchaser’s obligation under this Contract is subject to the Purchaser’s ability to obtain 100% financing, through Revenue Bond or Bond Anticipation Note, of the Purchase Price on or before December 15, 2022, on terms subject to the Purchaser’s approval, in the Purchaser’s sole discretion. The Purchaser shall make a bona fide effort to obtain the financing in a prompt and diligent manner, but if it is unable to obtain such financing or approval, the Purchaser may cancel this Contract. In addition, this contract is contingent upon the County Council’s approval required by IC 36-2-2-20 and IC 36-1-10.5-5.

   3.2 **Appraisal.** The Purchaser’s obligation under this Contract is subject to the Purchaser’s ability to obtain two (2) appraisals of the Property whose average shall be the Purchase Price or greater. The Purchaser shall make a bona fide effort to obtain such appraisals in a prompt and diligent manner, but if it is unable to obtain such appraisals, the Purchaser may cancel this Contract.

   3.3 **Environmental.** The Purchaser’s obligation under this Contract is subject to the Purchaser’s determining that, in the Purchaser’s sole discretion, the development of the Property is economically feasible based upon the environmental inspections, studies, and reports that the Purchaser receives. In the Purchaser’s sole discretion, there shall not be unacceptable levels of contamination of hazardous materials on the Property.
3.4 **Due Diligence.** The Purchaser’s obligation under this Contract is subject to the Purchaser’s determining that, in the Purchaser’s sole discretion, the development of the Property is economically feasible based upon the Purchaser’s receipt of financing, appraisals, the lease, studies, inspections, reports, and other information.

3.4.1 **Existing Documents.** Within ten (10) days after the execution of this Contract, the Seller shall provide the Purchaser with copies of the existing leases and any amendments, copies of the Seller’s title insurance commitment or policy, and copies of any reports, surveys or other documents affecting the Property, including but not limited to soils reports, geotechnical reports, environmental reports or surveys, and plans.

3.4.2 **Right of Entry.** Prior to closing, the Purchaser, its agents, and its representatives shall be entitled to enter upon the Property, in coordination with the existing tenant, for inspections, surveys, soil tests, environmental testing, evaluation of tenant, examination, and land-use planning. All studies and inspections shall be carried out during reasonable hours in coordination with the existing tenant and at no cost to the Seller.

3.4.3 **Due Diligence Period.** The Purchaser shall have ninety (90) days after the completion and submittal of all studies and inspections to determine if the Property, in the Purchaser’s sole discretion, is suitable for its needs (“Due Diligence Period”). Such studies and inspections include, but are not limited to, market studies, soil tests, environmental studies, architectural drawings, and other such tests as determined advisable by the Purchaser.

3.4.4 **Right to Terminate Contract.** If the Purchaser determines, in its sole discretion, that the Property is unsuitable for its needs and gives written notice of the same to the Seller during the Due Diligence Period or any extension, then this Contract shall become null and void. If the Purchaser elects not to terminate this Contract within the Due Diligence Period or any extension, then this Contract shall remain in full force and effect, and the transaction shall continue to closing.

3.4.5 **Appropriate Zoning.** The Current zoning of the property is not adequate for purchasers need. Purchaser, at purchaser’s sole expense, shall apply for Zoning Approval to rezone the property that permits a Jail as a conditional use and shall report to Seller on a monthly basis as to the status of the Zoning Approval. Seller agrees to cooperate with Purchasers rezoning application. It is not anticipated that this will be
complete within 90 days. The Purchase of this property is contingent on proper zoning.

3.5 **No Encroachments.** All improvements on the Property shall be located entirely within the bounds of the Property and there shall be no encroachments thereon and no existing violations of zoning ordinances or other restrictions applicable to the Property.

3.6 **Marketable Title.** Marketable title to the Property shall be conveyed to the Purchaser subject only to:

3.6.1 Covenants, conditions, restrictions and easements, if any, satisfactory to the Purchaser, in the Purchaser's sole discretion;

The standard exceptions are to be deleted from the Owner's Policy.

4.3 **Survey.** The Purchaser shall receive a plat of survey of the Property satisfactory to the Purchaser, certified as of a current date, showing the location of all improvements and easements located thereon at no expense to the Purchaser. The survey made of the Property shall conform to the Minimum Standards for an Indiana Land Title Survey.

4.4 **Charges.** The Buyer, at Buyers expense shall order the title evidence and may order a survey.

5. **Assessments and Taxes.** The Seller shall pay assessments for public improvements becoming a lien prior to closing.
As the Purchaser is a tax-exempt entity, the Seller shall pay all real estate taxes assessed for and becoming a lien during the calendar year in which closing occurs. Real estate taxes that are not due and payable at the time of closing shall be allowed to the Purchaser as a credit on the cash payment required on closing. For closing purposes, the present tax rate shall be used if the applicable tax rate has not been set. When the applicable tax rate is set, the Seller shall make payment to the Purchaser of any shortfall of real estate taxes due and payable.

6. **Tenant Estoppel Letter, Assignment of Lease, and Pro-Ration of Rent.** Within ten (10) days of the execution of this Contract, the Seller agrees to deliver to the Purchaser a copy of the existing leases of the Property. No other person is using or has any right to use, possess or occupy the Property or any part thereof. There are no leases, contracts or agreements with respect to the Property that shall survive the closing other than said leases.

Prior to closing, the Seller agrees to deliver to the Purchaser, in forms reasonably acceptable to the Purchaser, (a) an executed estoppel letter, indicating that the tenant’s leases are in full force and effect and that no defaults exist, and (b) an assignment of the leases to the Purchaser.

Re: Monroe County Justice Center Site Study  
DLZ Indiana, LLC Professional Services Letter Agreement Proposal

Dear Commissioners:

As requested, DLZ Indiana, LLC (DLZ) is pleased to submit our professional services Letter Agreement Proposal to assist you in the potential purchase and development of the proposed site for the Monroe County Justice Center project. We firmly believe that our unparalleled experience in the analysis, design, construction, and projected operational aspects of county criminal justice facilities gives us an intimate knowledge of the issues that may arise during the research, study, planning, programming, design, construction, and operation of such facilities.

SCOPE OF WORK

The Site Study will include information to project the anticipated site needs for the Monroe County Justice Center project. The approximate 87-acre site to be reviewed is located at the northeast corner of South State Road 37/169 and West Fullerton Pike in Bloomington, Indiana. See attached Exhibit C for site location.

The Site Study will be developed by professional architects, engineers, and technical representatives of DLZ. Items to be reviewed by the DLZ Team typically include the following items:

- Site location including, but not limited to: site aerial, topography, property lines, existing vegetation, soils and surrounding context as available through local GIS.
- Zoning designation
- Utility availability
- Utility capacity
- Review IDEM wetland maps and IDNR flood plain mapping
- Public transportation access
- Suitable areas for development – based on readily available information
- Preferred building(s) location and orientation
- Identify local ordinances for the site
- Desktop Limited Regulatory and Historical Use Screening
Please note that the Desktop Limited Regulatory and Historical Use Screening consists of:

1. Readily available environmental regulatory lists that identify hazardous waste generators, registered USTs, LUSTs, CERLA and NPL sites will be obtained from a database research provider. These will be used to determine if past environmental activities have occurred or enforcement actions have been taken against the site or adjacent properties, and to identify sites of environmental concern with distances established by ASTM E 1527-21. For those facilities identified by the lists that may affect the site, as needed, a request will be made with applicable local government entities and the Indiana Department of Environmental Management regarding possible available files. If there are files that require review, an appointment will be scheduled for review or if available, reviewed online.

2. Historical ownership/use information for the site, including Sanborn Fire Insurance Maps, if available, will be reviewed as well as aerial photographs, city directories, tax records, environmental lien data and deeds. Additionally, DLZ will request if any environmental liens or activity and use limitations were recorded against the proposed property. The environmental lien and activity and use limitation search does not include a review of judicial records. A Chain of Title search will not be performed for the proposed site.

3. DLZ will evaluate the data and prepare a summary of the findings.

Please note that the Desktop Limited Regulatory and Historical Use Screening:

• Does not satisfy the requirements of ASTM Standard Practice E-1527-21 and the All Appropriate Inquiry (AAI) criteria established in 40 CFR 312, with constitutes “all appropriate inquiry into the previous ownership and uses of the property consistent with good commercial or customary practice,” as defined at 42 USC §9601(35)(B).

• Does not include a site visit to determine existing site conditions and if items have been dumped at the site or an interview with the property owner.

Items not part of the Site Study include such things as topography survey, geotechnical investigation, on site environmental review, Phase I ESA that meets the ASTM E1527-21 standards, test pits, utility locates, cost estimating, etc. Per the Owner’s direction, these items can be added to the Scope of Work and then the lump sum fee will be adjusted accordingly.
PROJECT SCHEDULE

1. **INVOICES AND PAYMENT:** Unless the parties have agreed otherwise, DLZ will submit monthly invoices to CLIENT for services performed in the prior month. Except to the extent CLIENT disputes in good faith all or a portion of a DLZ invoice, CLIENT will pay DLZ the invoiced amount within thirty (30) days from the date of the invoice; and, in default of such payment, agrees to pay all cost of collection, including reasonable attorney’s fees, regardless of whether legal action is initiated. Invoiced amounts not in dispute will accrue interest at eight percent (8%) per annum after they have been outstanding for over thirty (30) days. If an invoiced amount not in dispute remains unpaid sixty (60) days after the date of the invoice, DLZ may, upon giving seven (7) days written notice of its intent to do so, suspend all project services until all unpaid invoiced amounts not in dispute are paid in full. If an invoice remains unpaid ninety (90) days after the date of the invoice, DLZ may, upon giving seven (7) days written notice of its intent to do so, declare CLIENT to be in breach of this agreement.

2. **CONSTRUCTION SERVICES:** If DLZ’s scope of services includes providing professional services during the project’s construction phase, DLZ will not have control over or be responsible for contractor means, methods, techniques, sequences, procedures, or schedule, or the contractor’s failure to comply with the construction contract documents or applicable laws, ordinances, rules or regulations. If DLZ provides construction inspection or observation services, DLZ will report to CLIENT all contractor deviations from the construction contract documents that come to DLZ’s attention. However, such services are solely intended to enable DLZ to maintain familiarity with, and keep CLIENT informed of, the general progress and quality of the contractor’s work, and not to require DLZ to perform exhaustive inspections of contractor work for its compliance with the construction contract documents, which shall remain solely contractor’s responsibility.

3. **CHANGES IN REQUIREMENTS:** In the event additional services are required due to a change, after the date of this agreement, in CLIENT’s requirements, or in the applicable law, standards, or governmental requirements or policies, DLZ will be entitled to additional compensation for such additional services.

4. **SURVEY STAKING:** If DLZ’s scope of services includes survey layout, DLZ will not be responsible for subsequent disturbances of its layout except to the extent caused by DLZ or persons for whom it is responsible.

5. **MISCELLANEOUS EXPENSES:** Except to the extent otherwise provided in this agreement, CLIENT is responsible for all third-party fees and charges including, without limitation, fees and charges for inspections, zoning or annexation applications, assessments, soils engineering, soils testing, aerial topography, permits, rights-of-entry, bond premiums, title company charges, blueprint and reproduction costs, and all other third-party fees and charges.

6. **CHANGE OF SCOPE:** DLZ’s scope of services in this agreement is based on facts known at the time of execution of this agreement, including, if applicable, information supplied by CLIENT. DLZ will promptly notify CLIENT in writing of any perceived changes to its scope of services required by new information or by persons or circumstances beyond DLZ’s control, and the parties shall negotiate modifications to this agreement before DLZ begins performance of the revised scope.

7. **SAFETY:** DLZ will take reasonable steps to protect the safety of its employees, and to perform its services in a safe manner. DLZ is not responsible for project safety other than with regard to its own services.

8. **REUSE OF PROJECT DELIVERABLES:** CLIENT’s use of any project documents or DLZ deliverables, including electronic media, for any purpose other than that for which such documents or deliverables were originally prepared, or alteration of such documents or deliverables without written verification or adaption by DLZ for the specific purpose intended, will be at CLIENT’s sole risk.

9. **OPINIONS OF CONSTRUCTION COST:** Any opinion of construction costs prepared by DLZ is supplied for the general guidance of the CLIENT only. Since DLZ has no control over competitive bidding or market conditions, DLZ cannot guarantee the accuracy of such opinions as compared to contractor bids or actual cost to CLIENT.

10. **INSURANCE:** During the performance of its services and for two years thereafter, DLZ will maintain the following minimum insurance coverage: General Liability- $1,000,000 per occurrence, $2,000,000 general aggregate, $2,000,000 products/completed operations aggregate, $1,000,000 personal/advertising injury aggregate; Automobile Liability- $1,000,000 combined single limit; Workers Compensation and Employers Liability- in conformance with statutory requirements, and $1,000,000 employers liability; and Professional Liability- $2,000,000 per claim and in the aggregate. Certificates evidencing such coverage will be provided to CLIENT upon request. If DLZ is providing construction phase services, CLIENT agrees to require its contractor to include DLZ as an additional insured on the contractor’s General Liability and Automobile Liability insurance policies, and DLZ’s above-listed coverage will be excess over the contractor’s coverage, which will be primary.

11. **INDEMNITY:** To the fullest extent permitted by law, each of the parties agrees to indemnify and save harmless the other party from and against all liability, damages, and expenses, including reasonable attorney’s fees, sustained by the other party by reason of injury or death to persons or damage to tangible property, to the proportionate extent caused by the negligent acts or omissions of the indemnifying party or its employees.

12. **CONSEQUENTIAL DAMAGES:** Neither party will be liable to the other for consequential, special, incidental, indirect, liquidated, or punitive damages.

13. **LIABILITY:** No employee of DLZ or of its parent, subsidiary, or affiliated companies will be personally liable to CLIENT. DLZ’s total liability to CLIENT, and any coverage of CLIENT as an additional insured under any of DLZ’s insurance policies, for injuries, claims, losses, expenses or damages arising out of DLZ’s services or this agreement from any causes including, but not limited to, DLZ’s negligence, error, omissions, strict liability, or breach of contract, will not exceed the total compensation received by DLZ under this agreement.

14. **DISPUTES:** Any claim or controversy arising out of or relevant to this agreement, or the breach thereof, shall be settled by binding arbitration in the state in which the project is located, in accordance with the rules of the American Arbitration Association, and judgment upon any award rendered by the arbitrator(s) may be rendered in any court having jurisdiction thereof.

15. **STATUTE OF LIMITATIONS:** The parties agree that the time period for bringing claims regarding DLZ’s Service’s under this agreement expires on the earlier of one year after completion of the project, or two years after completion of DLZ’s project services.

16. **DELAYS:** DLZ is not responsible for delays caused by persons or circumstances for which DLZ is not responsible.

17. **SHOP DRAWINGS:** If DLZ’s scope of services includes reviewing shop drawings, such reviews are solely with regard to their general conformance with the design concept, and not for the purpose of reviewing or approving their accuracy, completeness, dimensions, quantities, constructability, compatibility with other construction components, or compliance with the requirements of the construction contract documents, all of which remain the contractor’s responsibility. DLZ is not responsible for reviewing or approving the contractor’s safety precautions or construction means, methods, sequences or procedures.

18. **ACCEPTANCE:** Both parties will consider DLZ’s initiation of services prior to execution of this agreement in order to accommodate CLIENT, at CLIENT’s request, as CLIENT’s formal acceptance of all of the terms and conditions in this agreement.

19. **STANDARD OF CARE:** DLZ will perform its services with the care and skill ordinarily exercised by members of its profession currently practicing under similar conditions in the same locale. DLZ does not make, and expressly disclaims, any other warranties, express or implied, relating to its services including, without limitation, warranties of merchantability and fitness for a particular purpose. The Vet Environmental cost is higher due to additional work such as drainage reconnaissance.

Subject: Phase I Environmental Site Assessment Proposal
Interstate 69 & West Fullerton Pike
Bloomington, Indiana 47403

Dear Mr. Crohn:

EnviroForensics, LLC (EnviroForensics) is pleased to provide you with this proposal to conduct a Phase I Environmental Site Assessment (ESA) for the property located at the northeast corner of Interstate 69 and West Fullerton Pike, Bloomington, Indiana (the Site).

The Phase I ESA will identify and describe the environmental conditions at the Site and record any existing, potential, or suspect condition(s) of concern that may impair, restrict the use of, and/or impose an environmental liability to the Site. The scope of work for the ESA will be performed in accordance with the standards and protocols set forth in the ASTM standard designation E1527-13 and E1527-21, Standard Practice for Environmental Site Assessments: Phase I Environmental Site Assessment Process.

1.0 SITE OVERVIEW

The Site is currently vacant and comprised of one (1) parcel (Parcel ID 53-08-18-300-001.000-009), located on the northeast corner of the Interstate 69 and the West Fullerton Pike intersection.

2.0 SCOPE OF SERVICES

The objective of the Phase I ESA is to permit the User of the report to satisfy the requirements to qualify for the innocent landowner, contiguous property owner, or bona fide prospective purchaser (BFPP) limitations of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) liability and to constitute “all appropriate inquiry into the previous
ownership and uses of the property consistent with good commercial or customary practice” as defined in 40 CFR 312.

A User Questionnaire for the Site (attached) must be returned to EnviroForensics to avoid a possible future determination that all appropriate inquiry is not complete. The User of this ESA is defined as the party seeking to use ASTM E1527-13 and E1527-21 to complete an environmental site assessment of the Site. The User may include, without limitation, a potential purchaser of the property, a potential tenant of the property, an owner of the property, a lender, or a property manager.

The Scope of Services includes the following:

- Conducting a reconnaissance survey of the Site and surrounding areas;
- Conducting historical document reviews;
- Conducting interviews with current, and if applicable, previous owner/occupants;
- Reviewing available regulatory agency records regarding the Site and surrounding properties, where applicable; and
- Preparing a Phase I ESA Report to include the findings of the Site reconnaissance and record review activities. The Phase I ESA report will provide conclusions concerning Recognized Environmental Conditions (RECs) as defined per ASTM E1527-13 and E1527-21.

Unless requested by the User, environmental concerns considered non-scope within ASTM E1527-13 and E1527-21 (e.g., the identification of asbestos, mold, lead-based paint, wetlands, emerging contaminants, etc.) will not be evaluated as part of the ESA.

3.0 COST ESTIMATE AND SCHEDULE

The lump sum cost to complete the Scope of Services as outlined above is $1,800. EnviroForensics can provide the completed Phase I ESA within ten (10) business days of receiving signed authorization to proceed. To avoid unnecessary data gaps and potential delays in schedule, please return the completed User Questionnaire as soon as possible. Delays by the client in providing Site access or a completed User Questionnaire may cause delays in the report submittal.

Please note that an environmental lien and activity use limitation (AUL) search are necessary to satisfy all-appropriate inquiry (AAI) requirements and obtain BFPP status; however, it is not required that an environmental professional complete these searches. If desired, EnviroForensics can complete environmental lien and AUL searches at the Site for an additional cost of $280. This cost assumes the Site is comprised of one (1) parcel.
4.0 ASSUMPTIONS

This work scope and estimate assumes that no environmental sampling activities (including soil, groundwater, air/vapor, suspected asbestos-containing materials, etc.) will be conducted as part of this proposal.

It should be recognized that some limitations are inherent in property evaluations. Thus, this investigation cannot provide a guarantee that all possible sources of on-Site contamination will be discovered. This cost assumes that a User representative (i.e., owner, tenant, etc.) will be available to escort the EnviroForensics professional during the Site reconnaissance activities and answer questions concerning the history of the Site. No work outside the agreed scope of services will be conducted, nor will any costs be incurred, without your approval. The above costs assume that normal conditions will be encountered. Any delays, obstructions, or other limitations outside of EnviroForensics' control which are material and not commonly associated with similar projects may result in additional expenses. All information received from the client, the final report, and all other documents prepared by EnviroForensics shall be confidential information and not released unless required by law. No information which is part of the public record shall be deemed confidential information.

We appreciate the opportunity to provide this proposal and cost estimate. If you agree with the proposed Scope of Work and Cost Estimate, please execute the attached Authorization and return to our office in Indianapolis. Do not hesitate to contact me at 866-888-7911 or at cmcfall@enviroforensics.com should you have any questions.

Respectfully Submitted,

ENVIROFORENSICS’ GENERAL TERMS and CONDITIONS

TERMS - Invoices for services will be submitted by EnviroForensics, LLC (EnviroForensics) on a monthly basis or when the work is completed. Invoices will be due within 30 days of receipt.

SAMPLES - All soil samples will be disposed of 30 days after issuance of our report unless CLIENT advises EnviroForensics otherwise. Upon request, EnviroForensics will deliver samples to CLIENT at CLIENT’s expense, or EnviroForensics will store them for an agreed storage charge. If the samples contain hazardous materials, the samples shall be deemed CLIENT’s property at all times and CLIENT shall be responsible for the disposal of such samples.

RIGHT OF ENTRY - CLIENT shall provide for EnviroForensics’ right to enter from time to time property owned by CLIENT and/or other(s) in order for EnviroForensics to fulfill the scope of service indicated hereunder. EnviroForensics will use reasonable care to minimize damage to property. However, CLIENT understands that use of exploration equipment may unavoidably cause some damage, the correction of which is not part of this AGREEMENT. If EnviroForensics is asked to restore the property, EnviroForensics will charge an additional amount to so restore the property.

BURIED UTILITIES - CLIENT will furnish to EnviroForensics information identifying the type and location of utility lines and other man-made objects beneath the site’s surface to the extent CLIENT has such information. EnviroForensics will take reasonable precautions to avoid damaging these man-made objects. CLIENT agrees to waive any claim against EnviroForensics and to defend, indemnify and hold EnviroForensics harmless from any claim or liability for injury or loss allegedly arising from EnviroForensics’ damaging underground utilities or other man-made objects that were required to be called to EnviroForensics’ attention or which were not properly located on plans furnished to EnviroForensics. EnviroForensics shall contact IUPPS or other appropriate utility locating firms or entities to determine the location of underground utilities prior to commencement of work.

LIMITATIONS OF LIABILITY - CLIENT hereby agrees, that to the fullest extent permitted by law, EnviroForensics’ total liability to CLIENT, all consultants, contractors or subcontractors for any and all injuries, claims, losses, expenses or damages whatsoever, including without limitation, attorneys fees and costs, arising out of or in any way relating to the services covered by this AGREEMENT from any cause or causes including but not limited to EnviroForensics’ negligence, errors, omissions, strict liability, breach of contract, or breach of warranty shall not exceed the greater of the total amount paid by the CLIENT for the services of EnviroForensics under this contract or $500,000, whichever is greater. CLIENT is protected for errors and omissions by an insurance policy with limits of $1,000,000 per occurrence, $2,000,000 aggregate.

NO SPECIAL OR CONSEQUENTIAL DAMAGES - CLIENT and EnviroForensics agree that, to the fullest extent permitted by law, EnviroForensics shall not be liable to the CLIENT for any special indirect or consequential damages whatsoever, whether caused by EnviroForensics’ negligence, errors, omissions, strict liability, breach of contract, breach of warranty or other cause or causes whatsoever.

INDEMNIFICATION - To the fullest extent permitted by law, CLIENT agrees to defend, indemnify and hold EnviroForensics, its agents, subcontractors and employees harmless from and against any and all claims, defense costs, including attorneys’ fees, damages and other liabilities arising out of or in any way related to EnviroForensics’ reports or recommendations concerning this AGREEMENT, EnviroForensics’ presence on the project property, or the presence, release or threatened release of asbestos, hazardous substances or pollutants on or from the project property, provided the CLIENT shall not indemnify EnviroForensics against liability for damages to the extent directly caused by the sole negligence or intentional misconduct of EnviroForensics, its agents, subcontractors or employees.
GENERAL LIABILITY INSURANCE AND LIMITATION - EnviroForensics is protected by Workmen’s Compensation and Employer’s Liability Insurance, and by Public Liability Insurance for bodily injury and property damage with a combined limit of $1,000,000, and will furnish certificates thereof upon request. EnviroForensics assumes the risk of damage to its own supplies and equipment proximately resulting from EnviroForensics’ sole negligence or willful misconduct. If CLIENT’s contract or purchase order places greater responsibilities upon EnviroForensics or requires further insurance coverage, EnviroForensics, if specifically directed by CLIENT, will take out additional insurance (if procurable) at CLIENT’s expense; but EnviroForensics shall not be responsible for property damage from any cause, including fire, and explosion, beyond the amounts and coverage of EnviroForensics’ insurance.

STANDARD OF CARE - Services performed by EnviroForensics under this AGREEMENT will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions. No other representation, expressed or implied, and no warranty or guarantee is included or intended in this AGREEMENT, or in any report, opinion, document or otherwise.

DISCOVERY OF UNANTICIPATED HAZARDOUS MATERIALS - If pollutants are discovered that pose unanticipated risks while EnviroForensics is performing these services, it is hereby agreed that the scope of services, schedule, and the estimated project cost will be reconsidered and that this contract shall immediately become subject to renegotiation or termination. In the event that the AGREEMENT is terminated because of the discovery of pollutants posing unanticipated risks, it is agreed that EnviroForensics shall be paid for its total charges for labor performed and reimbursable charges incurred to the date of terminations of this AGREEMENT, including, if necessary any additional labor or reimbursable charges incurred in demobilizing. CLIENT also agrees that the discovery of unanticipated hazardous substances may make it necessary for EnviroForensics to take immediate measures to protect human health and safety. EnviroForensics agrees to notify CLIENT as soon as possible should unanticipated hazardous substances or suspected hazardous substances be encountered. CLIENT authorizes EnviroForensics to take measures that in EnviroForensics’ sole judgment are justified to preserve and protect the health and safety of EnviroForensics’ personnel and the public. CLIENT agrees to compensate EnviroForensics for the additional cost of working to protect employees and the public health and safety.

AQUIFER CONTAMINATION - Subsurface sampling may result in unavoidable contamination of certain subsurface areas, as when a probe or boring device moves through a contaminated area, linking it to an aquifer, underground stream, or other aqueous body not previously contaminated and capable of spreading hazardous materials off-site. Because nothing can be done to eliminate the risk of such an occurrence, and because subsurface sampling is a necessary aspect of the work which EnviroForensics may perform on CLIENT’s behalf, CLIENT waives any claim against EnviroForensics, and agrees to defend, indemnify and hold EnviroForensics harmless from any claim or liability for injury or loss which may arise as a result of alleged cross-contamination caused by sampling. CLIENT further agrees to compensate EnviroForensics for any time spent or expenses incurred by EnviroForensics in defense of any such claim, in accordance with EnviroForensics’ prevailing fee schedule and expense reimbursement policy.

DISPUTES - If a dispute arises out of or relating to this AGREEMENT or the breach thereof that cannot be settled through direct discussions, the parties agree to first endeavor to settle the dispute in an amicable manner by mediation under the Construction Industry Mediation Rules of the American Arbitration Association, or other similar organization. If a lawsuit is filed and legal or other costs are incurred, it is agreed that the prevailing party shall be entitled to recover all reasonable costs incurred in the defense of the claim, including staff time at current billing rates, court costs, attorney’s fees and other claim-related expenses.
Instructions: The “user” of the report should fill out this questionnaire in its entirety. The “user” is usually the entity purchasing or refinancing the property. If you have any questions regarding the questionnaire, please contact Casey McFall at cmcfall@enviroforensics.com.

Mr. Greg Crohn
Facility and Fleet Manager
Monroe County Board of Commissioners
100 West Kirkwood Avenue
Bloomington, Indiana 47404

Dear Mr. Crohn:

RE: Proposal for Environmental Consulting Services to be performed by VET Environmental Engineering

We appreciate the opportunity to talk with you and discuss your business. We look forward to working with you in the future and hope that our proposal will meet your needs and budget. VET Environmental Engineering, LLC (VET) will perform a Phase I Environmental Site Assessment (ESA) and Site Reconnaissance at the property composed of 87.13 acres of land, located at South State Road 37, north of West Fullerton Pike in Bloomington, Indiana (Site).

Tasks to be performed for Client:

Phase I Environmental Site Assessment:

A Phase I ESA is completed to research the current and historic land uses of a subject property (Property). A Phase I ESA is often performed as part of a potential real estate transaction. The intent of the Phase I ESA is to assess if current or historical land uses at the Subject Property have the potential to have caused adverse impacts to the soil or groundwater at the Subject Property that could pose a threat to human health and/or the environment. Identified issues are referred to as Recognized Environmental Conditions (RECs). If RECs are identified, it indicates that conditions exist that could present potential liability for the lender and/or owner and could affect the value of the Subject Property.

A Phase I ESA completed prior to closure of a real estate transaction can be used to satisfy the innocent landowner requirements under All Appropriated Inquiries (AAI) as defined by the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). VET proposes to perform a Phase I ESA in accordance with the requirements of the United States Environmental Protection Agency’s (USEPA) regulation of AAI site assessments at 40 CFR 312 by using the American Society for Testing and Materials (ASTM) Standard Practice for Environmental Site Assessments: Phase I ESA Process E1527-21.

**Site Reconnaissance:**
VET will conduct a Desktop and Field Reconnaissance for the Site. The purpose of the proposed project is to identify potential environmental impacts on the Site that may serve as obstacles for the proposed development. As part of the desktop reconnaissance, VET will obtain and analyze environmental and geographic data from IndianaMap and other publicly available information databases to identify potential areas of concern. Field reconnaissance will serve to confirm presence or absence and extent of identified features. Examples of evaluated features include but are not limited to wetlands, jurisdictional waters, and sinkholes. VET will make an effort to identify and document all environmental obstacles to development on the Site. All limitations and assumptions will be documented. On conclusion of the desktop and field reconnaissance, VET will make recommendations for formal delineation activities, as required. No formal wetland, jurisdictional waters, or sinkhole delineations will be conducted as part of the proposed reconnaissance.

Environmental consulting work will be billed on a lump sum basis not to exceed $7,000.00. Please note that any work completed by VET at the request of Client that does not fall within the referenced scope will be billed according to VET’s 2022 hourly rates, included below, in addition to the proposed services as “Out of Scope Work”.

Upon written notice, the parties have ten (10) business days, unless the parties mutually agree in writing to extend this period, following the written notification to resolve the dispute. APPENDIX "A"

The CONSULTANT’s understanding of the Project is as follows:

Project Limits and Survey Coverage: The anticipated survey limits are listed below plus see attached aerial for additional details:

Dillman Road
- Begin 700 feet west of bridge and continue east 1400 feet (the survey width is 75 feet each side of the centerline).
- Collect local high-water testimony from the home owners around the bridge and survey their finish floor elevations.

Stream Survey
- Begin 150 feet south of the center of the bridge and continue north 300 feet (the survey width is 50 feet beyond the top of bank on each side of the ditch)

Dillman Lane
- Begin at Dillman Road and continue south 400 feet (the survey width is 75 feet each side of the centerline).

Bridge Detail
- Survey and detail the bridge opening for Bridge No. 83.

Utility Survey
- A second trip to locate marked utilities is needed after the project’s utility coordination begins.

ENVIRONMENTAL SERVICES

Existing Bridge No. 83 (NBI # 5300061) is identified as a Non-Select Bridge on the Indiana Historic Bridge Inventory list. The Historic Bridges Programmatic Agreement (HBPA) project development process will be utilized. An alternatives analysis will be developed for the bridge. The results of the alternatives analysis will be included as part of the environmental documentation. This analysis will be completed using the HBPA template. The analysis will address various alternatives to define a prudent and feasible alternative.

Categorical Exclusion: In order to qualify for federal funding, a Categorical Exclusion (CE) Level 4 is required under the National Environmental Policy Act (NEPA) and associated Federal Highway Administration (FHWA) and Indiana Department of Transportation (INDOT) requirements. The CE 4 is based upon the following assumptions:

Relocations - No relocations are anticipated.
R-O-W – Permanent R-O-W over 0.5 acres is anticipated.
Through Lanes - No additional through lanes are proposed.
New Alignment - No new alignment is required but realignment as part of the alternative analysis is possible.
Wetlands – No wetland impacts greater than 1.0 acre are anticipated.
Stream Impacts - stream impacts of less than 300 linear feet are anticipated.
Section 4(f) and 6(f) - Bridge 83 is listed in the Indiana Historic Bridge Inventory (HBI) as a “Non-Select” bridge and is therefore considered eligible for listing in the National Register of Historic Places and is a Section 4(f) historic property.
Section 106 – A Qualified Professional (QP) subconsultant would be employed for this analysis. A Historic Properties Report and will be prepared for the proposed project to the standards of the INDOT Cultural Resources Manual. An Archaeological Phase IA Survey Report is not required. A summary of the reports will be included as a part of the environmental document.
Noise – a noise analysis will not be required.
Threatened and Endangered Species - The project is not likely to adversely affect any threatened or endangered species.
Sole Source Aquifer - No sole source aquifer is anticipated.
Karst – No karst features are anticipated.

Waters of US Report: A Waters of the U.S. Report (WOUSR) will be developed for the project. The results of the WOUSR will be included as part of the environmental document and the Section 401 and Section 404 permit application submittal.

PUBLIC INVOLVEMENT

Public Hearing: The HBPA requires that a public hearing be held for every Select Bridge regardless of the preferred alternative. BLN will conduct one (1) public hearing within the limits of the local jurisdiction.

BRIDGE PLAN DEVELOPMENT

Bridge Plan Development: The project includes the replacement of the existing bridge carrying Dillman Road over Clear Creek. The existing single span steel pony truss structure was built in 1910 and posted for 9 tons. The bridge has a sufficiency rating of 33.2 and is functionally obsolete. The horizontal alignment of the approach alignment is rated a poor due to the significant speed reduction required to cross the bridge.

The proposed bridge is anticipated to be a 160 ft three-span spread box beam superstructure with wall piers and integral end bents. Due to the evidence of bridge and approach overtopping, the bridge sizing will not be assumed to be an “in kind” replacement; therefore, the proposed structure will have a larger waterway area that incorporates the loss in waterway area going over the road. The new bridge is anticipated to be built at the location of the existing structure but skewed to match the channel. This will allow for the horizontal curves on the approaches to be eliminated. A raise in grade of the roadway will be required to provide adequate freeboard for the structure. The bridge clear roadway width and the design of the new roadway will be based on the AASHTO Green Book.
and Geometric Design Criteria for an Urban Local Street (IDM Figure 55-3H) and the posted speed limit of 30 mph. The minimum bridge clear roadway with is 24 ft is required but 30 ft is proposed.

The design of the new roadway will be based on the AASHTO Green Book and Geometric Design Criteria for Urban Local Street (IDM Figure 55-3H) and the posted 30 mph speed limit. Note the Bridge Inspection Report classified as Rural but the City of Bloomington recently updated it’s urban boundaries map to now include this location. Based on the minimums for an Intermediate Urban Local Street for uncurbed roadway, a 10' - 0" lane and 2'-0" usable shoulders is required over the bridge and on the approaches. BLN will work with Monroe County to determine the limits of the project and final roadway typical section required. The goal of the project is to replace a structurally deficient one lane bridge and improve the geometrics of the approach roadway leading up to the bridge. Therefore, BLN will utilize their experience to provide the most efficient structure which will result in the lowest overall cost for the project.

Monroe County requested on June 6, 2022, that a multi-use path be added to the project on the south side of the roadway and bridge connecting Limestone Greenway to the old CSX corridor next to Dillman Lane. The bridge typical will be modified from the original scope to include the path on the bridge separated from the travel lane with a concrete barrier similar to the one used on Gordon Pike over Clear Creek.

It is anticipated that the road will be closed throughout construction. Standard approach railing and transitions will be placed to provide a safe approach through the bridge. It is anticipated that the intersection with Dillman Lane Road will also be relocated and improved as part of the project. It is anticipated that the bridge will be constructed while detouring traffic on alternate routes.

**Historic Bridge Alternatives Analysis:** The existing Bridge is identified as a Non-Select Bridge on the Indiana Historic Bridge Inventory list. A Historic Bridge Alternatives Analysis will be performed to be included in the future Section 106 (work as a part of the CE document). The Alternatives Analysis will include all alternates A through B2 outlined in INDOT’s Cultural Resources Manual.

**Pavement Design:** A pavement design memorandum will be required for the project. It is assumed that one (1) pavement design will be required.

   The invoice vouchers shall represent the value, to LPA, of the partially completed work as of the date of the invoice voucher. The CONSULTANT shall attach thereto a summary of each pay item in Section A.2 of this Appendix, including percentage completed and prior payments.

   If LPA does not agree with the amount claimed by the CONSULTANT on an invoice voucher, it will send the CONSULTANT a letter by regular mail and list the differences between actual and claimed progress. The letter will be sent to the CONSULTANT's address on page 1 of this Contract or the CONSULTANT's last known address.

2. LPA, for and in consideration of the rendering of the engineering services provided for in Appendix "A", except Sections A.7, A.9, A.10 and A.11, agrees to pay to the CONSULTANT for rendering such services the fees established above in the following manner:

   a. For each pay item, and upon receipt of invoices from the CONSULTANT and the approval thereof by LPA, payments covering the work performed shall be due and payable to the CONSULTANT, such payments to be equal to an amount arrived at
by multiplying the percentage of the specified work performed by the fee heretofore set forth. From the partial payment thus computed, there shall be deducted all previous partial fee payments made to the CONSULTANT.

b. Upon approval by LPA, after submittal of the completed work, a sum of money equal to the fees heretofore set forth, less the total of the amounts of the partial payments previously paid to the CONSULTANT under Section B.2.a of this Appendix "D", shall be due and payable to the CONSULTANT.

3. LPA, for and in consideration of the rendering of the engineering services provided for in Sections A.7, A.9, A.10 and A.11 of Appendix "A", agrees to pay the CONSULTANT in the following manner:

a. For those services performed by the CONSULTANT, the CONSULTANT will be paid on the basis of actual hours of work performed by essential personnel exclusively on this Contract at the direct salary and wages of each employee, PLUS a provisional overhead rate acceptable to LPA’s Division of Accounting and Control, PLUS profit, PLUS direct non-salary costs as approved by LPA. Profit will only be applied to direct salary and wages plus applicable overhead.

Each employee's reimbursable direct charge rate will be limited to $75.69/hour. Direct non-salary costs shall be the actual out-of-pocket expenses of the CONSULTANT directly attributable to this contract, such as fares, subsistence, mileage, long distance calls, equipment rentals, reproductions, etc.; however, the direct non-salary costs for travel reimbursement shall not exceed the limitations on travel expenses set out in the current LPA policy on travel reimbursement. Profit shall equal 15.0 percent of the direct salary and wages PLUS overhead expenses attributable to this contract. The CONSULTANT shall adjust the provisional overhead rate on the invoice subsequent to receipt of a new overhead rate from LPA’s Division of Accounting and Control, except that LPA shall adjust this rate at the time of final payment to a rate representative of actual payroll burden and general overhead costs as determined by audit and approved by LPA. The overhead rate shall be determined by LPA’s Division of Accounting and Control in accordance with generally accepted government auditing standards and the cost principles contained in the Federal Acquisition Regulations, 48 CFR subpart 31.2.
b. Payment shall be made monthly to the CONSULTANT upon submission to LPA of an invoice. When submitting an invoice, the CONSULTANT shall furnish a copy of records showing the individuals who worked on the project during the month, number of hours worked on the project, and the hourly rate. No allowance shall be made for overtime premium wages unless authorized in advance by LPA.

c. If, prior to the satisfactory completion of the services under this Contract, the total of the direct and indirect costs incurred and the portion of the fixed fee completed by the CONSULTANT is within five percent (5%) of the maximum amount payable, all work shall cease and the status will be evaluated. The work will not resume until an adjusted maximum amount payable has been determined and a supplement executed to cover the increased cost.

**USE** $2,226.48
Executive Summary:

The structure had a bid opening on May 18, 2022. The lowest bid was $990,000.00 so it was unawardable. We have gone back to the Consultant to change the design to be more consistent with a concrete box beam bridge that was just installed on North Shore Drive. We will save on construction of the project by the re-design, however, it is a cost. The construction cost saving should exceed what the re-design cost is.

RE: Re-Design of Structure 1349 & 1355

Dear Ms. Thetonia:

Shrewsberry & Associates, LLC (Shrewsberry) is pleased to submit this proposal to provide professional services for the re-design of Baby Creek Structures 1349 and 1355. If we have misunderstood any project information for the requested scope of services, we are amenable to revise this proposal as necessary. Our understanding of the project and associated scope and fees is outlined below.

PROJECT UNDERSTANDING

Following the completion of the design of Baby Creek Structure 1355 and subsequent bidding of this project, it has been determined that the Contractor Bid prices are beyond the County’s budgeted price for constructing this structure. As this structure is in critical condition, you have communicated to us the urgency of replacing it as quickly as possible. We have performed a preliminary assessment of alternative cost-saving measures that can be implemented for the re-design of this structure and have developed a scope and fee for this effort. Specific cost saving measures that have been considered are to replace the Aluminum Box Culvert (ALBC) design with a rectangular culvert.

You have also communicated to us that you would like Structure 1349 to be re-designed as well. This structure was part of the original set of 5 structures, but not included with the bid package that was prepared earlier this year.

This amendment is for the following tasks for structures 1349 and 1355.

- Provide a Technical Memorandum amending the Basis of Design Report with the new design updates. This Memorandum will include an Opinion of Probable Construction Costs.
- Update the Contract Documents (Drawings and Specifications) to reflect the new concept.
- Revise the Opinion of Probable Costs.
- Re-bid the revised contract documents.

DESIGN MILESTONES

The project will be executed in two milestones: Technical Memorandum Completion & Contract Document. The tasks to be completed during these stages are as follows:

Technical Memorandum Completion
- A Technical Memorandum summarizing the design changes to Structures 1349 and 1355 will be developed
- HEC-RAS modeling will be updated with new configuration
- Opinion of Probable Construction Costs (OPCC) will be updated

Detailed Design
- Contract Documents (Drawings and Specifications) will be completed.
• Bid Documents will be prepared, and associated Addendum (assumed 2) will be developed based on Contractor’s questions received during the Bid Process.

EXCLUSIONS
• Modifications to the remaining 3 Structures (1345, 1362 and 1375) will not be made at this time.

MODIFICATIONS MADE FROM ORIGINAL PROPOSAL

Based on our discussions regarding our initial proposal, the following modifications have been made

• A brief Technical Memorandum will be developed summarizing design changes rather than a complete update of the BODR.
• The proposed run-around in the initial design will be kept in the re-design. The selected Contractor will be asked to propose an alternative to this design, and this will be evaluated during the Construction Phase of the project. This eliminates the need to develop phasing drawings.
• With the replacement of the ALBC with a conventional culvert, the re-design is simpler and therefore will require less senior design oversight.
• Additional CAD time was included for the re-design of Structure 1349.

B. The CONSULTANT also agrees by signing this Contract that it shall require that the language of this certification be included in all lower tier subcontracts, which exceed $100,000, and that all such sub-recipients shall certify and disclose accordingly. Any person who fails to sign or file this required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each failure.

6. Changes in Work. The CONSULTANT shall not commence any additional work or change the scope of the work until authorized in writing by the LPA. The CONSULTANT shall make no claim for additional compensation or time in the absence of a prior written approval and amendment executed by all signatories hereto. This Contract may be amended, supplemented or modified only by a written document executed in the same manner as this Contract. The CONSULTANT acknowledges that no claim for additional compensation or time may be made by implication, oral agreements, actions, inaction, or course of conduct.

7. Compliance with Laws.

A. The CONSULTANT shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment of any state or federal statute, or the promulgation of regulations thereunder, after execution of this Contract, shall be reviewed by the LPA and the CONSULTANT to determine whether formal modifications are required to the provisions of this Contract.

B. The CONSULTANT represents to the LPA that, to the best of the CONSULTANT'S knowledge and belief after diligent inquiry and other than as disclosed in writing to the LPA prior to or contemporaneously with the execution and delivery of this Contract by the CONSULTANT:

i. State of Indiana Actions. The CONSULTANT has no current or outstanding criminal, civil, or enforcement actions initiated by the State of Indiana pending, and agrees that it will immediately notify the LPA of any such actions. During the term of such actions, CONSULTANT agrees that the LPA may delay, withhold, or deny work under any supplement or amendment, change order or other contractual device issued pursuant to this Contract.

ii. Professional Licensing Standards. The CONSULTANT, its employees and SUBCONSULTANTS have complied with and shall continue to comply with all applicable licensing standards, certification standards, accrediting standards and any other laws, rules or regulations governing services to be provided by the CONSULTANT pursuant to this Contract.
iii. **Work Specific Standards.** The CONSULTANT and its SUB-CONSULTANTS, if any, have obtained, will obtain and/or will maintain all required permits, licenses, registrations and approvals, as well as comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the LPA.

iv. **Secretary of State Registration.** If the CONSULTANT is an entity described in IC Title 23, it is properly registered and owes no outstanding reports with the Indiana Secretary of State.

v. **Debarment and Suspension of CONSULTANT.** Neither the CONSULTANT nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State and will immediately notify the LPA of any such actions. The term “principal” for purposes of this Contract means an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the CONSULTANT or who has managerial or supervisory responsibilities for the Services.

vi. **Debarment and Suspension of any SUB-CONSULTANTS.** The CONSULTANT’s SUB-CONSULTANTS are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State. The CONSULTANT shall immediately notify the LPA and INDOT if any SUB-CONSULTANT becomes debarred or suspended, and shall, at the LPA’s request, take all steps required by the LPA to terminate its contractual relationship with the SUB-CONSULTANT for work to be performed under this Contract.

C. **Violations.** In addition to any other remedies at law or in equity, upon CONSULTANT’S violation of any of Section 7(A) through 7(B), the LPA may, at its sole discretion, do any one or more of the following:

i. terminate this Contract; or

ii. delay, withhold, or deny work under any supplement or amendment, change order or other contractual device issued pursuant to this Contract.

D. **Disputes.** If a dispute exists as to the CONSULTANT’s liability or guilt in any action initiated by the LPA, and the LPA decides to delay, withhold, or deny work to the CONSULTANT, the CONSULTANT may request that it be allowed to continue, or receive work, without delay. The CONSULTANT must submit, in writing, a request for review to the LPA. A determination by the LPA under this Section 7.D shall be final and binding on the parties and not subject to administrative review. Any payments the LPA may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest under IC 5-17-5.

8. **Condition of Payment.** The CONSULTANT must perform all Services under this Contract to the LPA’s reasonable satisfaction, as determined at the discretion of the LPA and in accordance with all applicable federal, state, local laws, ordinances, rules, and regulations. The LPA will not pay for work not performed to the LPA’s reasonable satisfaction, inconsistent with this Contract or performed in violation of federal, state, or local law (collectively, “deficiencies”) until all deficiencies are remedied in a timely manner.
9. **Confidentiality of LPA Information.**

A. The CONSULTANT understands and agrees that data, materials, and information disclosed to the CONSULTANT may contain confidential and protected information. Therefore, the CONSULTANT covenants that data, material, and information gathered, based upon or disclosed to the CONSULTANT for the purpose of this Contract, will not be disclosed to others or discussed with third parties without the LPA's prior written consent.

B. The parties acknowledge that the Services to be performed by the CONSULTANT for the LPA under this Contract may require or allow access to data, materials, and information containing Social Security numbers and maintained by the LPA in its computer system or other records. In addition to the covenant made above in this section and pursuant to 10 IAC 5-3-1(4), the CONSULTANT and the LPA agree to comply with the provisions of IC 4-1-10 and IC 4-1-11. If any Social Security number(s) is/are disclosed by the CONSULTANT, the CONSULTANT agrees to pay the cost of the notice of disclosure of a breach of the security of the system in addition to any other claims and expenses for which it is liable under the terms of this Contract.

10. **Delays and Extensions.** The CONSULTANT agrees that no charges or claim for damages shall be made by it for any minor delays from any cause whatsoever during the progress of any portion of the Services specified in this Contract. Such delays, if any, shall be compensated for by an extension of time for such period as may be determined by the LPA subject to the CONSULTANT's approval, it being understood, however, that permitting the CONSULTANT to proceed to complete any services, or any part of them after the date to which the time of completion may have been extended, shall in no way operate as a waiver on the part of the LPA of any of its rights herein. In the event of substantial delays or extensions, or change of any kind, not caused by the CONSULTANT, which causes a material change in scope, character or complexity of work the CONSULTANT is to perform under this Contract, the LPA at its sole discretion shall determine any adjustments in compensation and in the schedule for completion of the Services. CONSULTANT must notify the LPA in writing of a material change in the work immediately after the CONSULTANT first recognizes the material change.

11. **DBE Requirements.**

A. Notice is hereby given to the CONSULTANT and any SUB-CONSULTANT, and both agree, that failure to carry out the requirements set forth in 49 CFR Sec. 26.13(b) shall constitute a breach of this Contract and, after notification and failure to promptly cure such breach, may result in termination of this Contract or such remedy as INDOT deems appropriate. The referenced section requires the following assurance to be included in all subsequent contracts between the CONSULTANT and any SUB-CONSULTANT:

The CONSULTANT, sub recipient or SUB-CONSULTANT shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The CONSULTANT shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the CONSULTANT to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy, as INDOT, as the recipient, deems appropriate.

B. The CONSULTANT shall make good faith efforts to achieve the DBE percentage goal that may be included as part of this Contract with the approved DBE SUB-CONSULTANTS identified on its Affirmative Action Certification submitted with its Letter of Interest, or with approved amendments. Any changes to a DBE firm listed in the Affirmative Action Certification must be requested in writing and receive prior approval by the LPA and INDOT's Economic Opportunity Division Director. After this Contract is completed and if a DBE SUB-CONSULTANT has performed services thereon, the CONSULTANT must complete, and return, a Disadvantaged Business Enterprise Utilization Affidavit ("DBE-3 Form") to INDOT's
Economic Opportunity Division Director. The DBE-3 Form requires certification by the CONSULTANT AND DBE SUB-CONSULTANT that the committed contract amounts have been paid and received.

12. **Non-Discrimination.**

A. Pursuant to I.C. 22-9-1-10, the Civil Rights Act of 1964, and the Americans with Disabilities Act, the CONSULTANT shall not discriminate against any employee or applicant for employment, to be employed in the performance of work under this Contract, with respect to hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of race, color, religion, sex, disability, national origin, ancestry or status as a veteran. Breach of this covenant may be regarded as a material breach of this Contract. Acceptance of this Contract also signifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination in the provision of services based on race, color, national origin, age, sex, disability or status as a veteran.

B. The CONSULTANT understands that the LPA is a recipient of federal funds. Pursuant to that understanding, the CONSULTANT agrees that if the CONSULTANT employs fifty (50) or more employees and does at least $50,000.00 worth of business with the State and is not exempt, the CONSULTANT will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. The CONSULTANT shall comply with Section 202 of executive order 11246, as amended, 41 CFR 60-250, and 41 CFR 60-741, as amended, which are incorporated herein by specific reference. Breach of this covenant may be regarded as a material breach of Contract.

It is the policy of INDOT to assure full compliance with Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act and related statutes and regulations in all programs and activities. Title VI and related statutes require that no person in the United States shall, on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (INDOT’s Title VI enforcement shall include the following additional grounds: sex, ancestry, age, income status, religion and disability.)

C. The CONSULTANT shall not discriminate in its selection and retention of contractors, including without limitation, those services retained for, or incidental to, construction, planning, research, engineering, property management, and fee contracts and other commitments with persons for services and expenses incidental to the acquisitions of right-of-way.

D. The CONSULTANT shall not modify the Project in such a manner as to require, on the basis of race, color or national origin, the relocation of any persons. (INDOT’s Title VI enforcement will include the following additional grounds: sex, ancestry, age, income status, religion and disability.)

E. The CONSULTANT shall not modify the Project in such a manner as to deny reasonable access to and use thereof to any persons on the basis of race, color or national origin. (INDOT’s Title VI enforcement will include the following additional grounds: sex, ancestry, age, income status, religion and disability.)

F. The CONSULTANT shall neither allow discrimination by contractors in their selection and retention of subcontractors, lessees and/or material suppliers, nor allow discrimination by their subcontractors in their selection of subcontractors, lessees or material suppliers, who participate in construction, right-of-way clearance and related projects.
G. The CONSULTANT shall take appropriate actions to correct any deficiency determined by itself and/or the Federal Highway Administration ("FHWA") within a reasonable time period, not to exceed ninety (90) days, in order to implement Title VI compliance in accordance with INDOT's assurances and guidelines.

H. During the performance of this Contract, the CONSULTANT, for itself, its assignees and successors in interest (hereinafter referred to as the "CONSULTANT") agrees as follows:

1. Compliance with Regulations: The CONSULTANT shall comply with the Regulation relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

2. Nondiscrimination: The CONSULTANT, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The CONSULTANT shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

3. Solicitations for SUBCONSULTANTS, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the CONSULTANT for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential SUBCONSULTANT or supplier shall be notified by the CONSULTANT of the CONSULTANT'S obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

4. Information and Reports: The CONSULTANT shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the LPA or INDOT to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a CONSULTANT is in the exclusive possession of another who fails or refuses to furnish this information the CONSULTANT shall so certify to the LPA, or INDOT as appropriate, and shall set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of the CONSULTANT'S noncompliance with the nondiscrimination provisions of this contract, the LPA shall impose such contract sanctions as it or INDOT may determine to be appropriate, including, but not limited to:

   a. withholding of payments to the CONSULTANT under the Contract until the CONSULTANT complies, and/or
   b. cancellation, termination or suspension of the Contract, in whole or in part.

6. Incorporation of Provisions: The CONSULTANT shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.
The CONSULTANT shall take such action with respect to any SUBCONSULTANT procurement as the LPA or INDOT may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that, in the event a CONSULTANT becomes involved in, or is threatened with, litigation with a SUBCONSULTANT or supplier as a result of such direction, the CONSULTANT may request the LPA to enter into such litigation to protect the interests of the LPA, and, in addition, the CONSULTANT may request the United States to enter into such litigation to protect the interests of the United States.

13. **Disputes.**

   A. Should any disputes arise with respect to this Contract, the CONSULTANT and the LPA agree to act promptly and in good faith to resolve such disputes in accordance with this Section 13. Time is of the essence in the resolution of disputes.

   B. The CONSULTANT agrees that the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the CONSULTANT fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs (including reasonable attorneys' fees and expenses) incurred by the LPA or the CONSULTANT as a result of such failure to proceed shall be borne by the CONSULTANT.

   C. If a party to this Contract is not satisfied with the progress toward resolving a dispute, the party must notify the other party of this dissatisfaction in writing. Upon written notice, the parties have ten (10) business days, unless the parties mutually agree in writing to extend this period, following the written notification to resolve the dispute. If the dispute is not resolved within ten (10) business days, a dissatisfied party may submit the dispute in writing to initiate negotiations to resolve the dispute. The LPA may withhold payments on disputed items pending resolution of the dispute.

14. **Drug-Free Workplace Certification.**

   A. The CONSULTANT hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace, and that it will give written notice to the LPA within ten (10) days after receiving actual notice that an employee of the CONSULTANT in the State of Indiana has been convicted of a criminal drug violation occurring in the CONSULTANT's workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of Contract payments, termination of this Contract and/or debarment of contracting opportunities with the LPA.

   B. The CONSULTANT certifies and agrees that it will provide a drug-free workplace by:

   i. Publishing and providing to all of its employees a statement notifying their employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the CONSULTANT's workplace and specifying the actions that will be taken against employees for violations of such prohibition;

   ii. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the CONSULTANT's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
iii. Notifying all employees in the statement required by subparagraph 14.B.i above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the CONSULTANT of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;

iv. Notifying in writing the LPA within ten (10) days after receiving notice from an employee under subdivision 14.B.iii(2) above, or otherwise receiving actual notice of such conviction;

v. Within thirty (30) days after receiving notice under subdivision 14.B.iii(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) take appropriate personnel action against the employee, up to and including termination; or (2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency; and

vi. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs 14.B.i through 14.B.v. above.

15. **Employment Eligibility Verification.** The CONSULTANT affirms under the penalties of perjury that he/she/it does not knowingly employ an unauthorized alien.

The CONSULTANT shall enroll in and verify the work eligibility status of all his/her/its newly hired employees through the E-Verify program as defined in IC 22-5-1.7-3. The CONSULTANT is not required to participate should the E-Verify program cease to exist. Additionally, the CONSULTANT is not required to participate if the CONSULTANT is self-employed and does not employ any employees.

The CONSULTANT shall not knowingly employ or contract with an unauthorized alien. The CONSULTANT shall not retain an employee or contract with a person that the CONSULTANT subsequently learns is an unauthorized alien.

The CONSULTANT shall require his/her/its subcontractors, who perform work under this Contract, to certify to the CONSULTANT that the SUB-CONSULTANT does not knowingly employ or contract with an unauthorized alien and that the SUB-CONSULTANT has enrolled and is participating in the E-Verify program. The CONSULTANT agrees to maintain this certification throughout the duration of the term of a contract with a SUB-CONSULTANT.

The LPA may terminate for default if the CONSULTANT fails to cure a breach of this provision no later than thirty (30) days after being notified by the LPA.

16. **Force Majeure.** In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of fire, natural disaster, acts of God, acts of war, terrorism, civil disorders, decrees of governmental bodies, strikes, lockouts, labor or supply disruptions or similar causes beyond the reasonable control of the affected party (hereinafter referred to as a Force Majeure Event), the party who has been so affected shall immediately give written notice to the other party of the occurrence of the Force Majeure Event (with a description in reasonable detail of the circumstances causing such Event) and shall do everything reasonably possible to resume performance. Upon receipt of such written notice, all obligations under this Contract shall be immediately suspended for as long as such Force Majeure Event continues and provided that the affected party continues to use commercially reasonable efforts to recommence performance whenever and to whatever extent possible without delay. If the period of nonperformance exceeds thirty (30) days from the receipt of written notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.
17. **Governing Laws.** This Contract shall be construed in accordance with and governed by the laws of the State of Indiana and the suit, if any, must be brought in the State of Indiana. The CONSULTANT consents to the jurisdiction of and to venue in any court of competent jurisdiction in the State of Indiana.

18. **Liability.** If the CONSULTANT or any of its SUB-CONSULTANTS fail to comply with any federal requirement which results in the LPA’s repayment of federal funds to INDOT the CONSULTANT shall be responsible to the LPA, for repayment of such costs to the extent such costs are caused by the CONSULTANT and/or its SUB-CONSULTANTS.

19. **Indemnification.** The CONSULTANT agrees to indemnify the LPA, and their agents, officials, and employees, and to hold each of them harmless, from claims and suits including court costs, attorney’s fees, and other expenses caused by any negligent act, error or omission of, or by any recklessness or willful misconduct by, the CONSULTANT and/or its SUB-CONSULTANTS, if any, under this Contract, provided that if the CONSULTANT is a “contractor” within the meaning of I.C. 8-3-2-12.5, this indemnity obligation shall be limited by and interpreted in accordance with I.C. 8-23-2-12-5. The LPA shall not provide such indemnification to the CONSULTANT.

20. **Independent Contractor.** Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever. Neither party will assume liability for any injury (including death) to any persons, or damage to any property, arising out of the acts or omissions of the agents or employees of the other party. The CONSULTANT shall be responsible for providing all necessary unemployment and workers’ compensation insurance for its employees.

21. **Insurance - Liability for Damages.**

   A. The CONSULTANT shall be responsible for the accuracy of the Services performed under this Contract and shall promptly make necessary revisions or corrections resulting from its negligence, errors or omissions without any additional compensation from the LPA. Acceptance of the Services by the LPA shall not relieve the CONSULTANT of responsibility for subsequent correction of its negligent act, error or omission or for clarification of ambiguities. The CONSULTANT shall have no liability for the errors or deficiencies in designs, drawings, specifications or other services furnished to the CONSULTANT by the LPA on which the Consultant has reasonably relied, provided that the foregoing shall not relieve the CONSULTANT from any liability from the CONSULTANT’S failure to fulfill its obligations under this Contract, to exercise its professional responsibilities to the LPA, or to notify the LPA of any errors or deficiencies which the CONSULTANT knew or should have known existed.

   B. During construction or any phase of work performed by others based on Services provided by the CONSULTANT, the CONSULTANT shall confer with the LPA when necessary for the purpose of interpreting the information, and/or to correct any negligent act, error or omission. The CONSULTANT shall prepare any plans or data needed to correct the negligent act, error or omission without additional compensation, even though final payment may have been received by the CONSULTANT. The CONSULTANT shall give immediate attention to these changes for a minimum of delay to the project.

   C. The CONSULTANT shall be responsible for damages including but not limited to direct and indirect damages incurred by the LPA as a result of any negligent act, error or omission of the CONSULTANT, and for the LPA’s losses or costs to repair or remedy construction. Acceptance of the Services by the LPA shall not relieve the CONSULTANT of responsibility for subsequent correction.
D. The CONSULTANT shall be required to maintain in full force and effect, insurance as described below from the date of the first authorization to proceed until the LPA’s acceptance of the work product. The CONSULTANT shall list both the LPA and INDOT as insureds on any policies. The CONSULTANT must obtain insurance written by insurance companies authorized to transact business in the State of Indiana and licensed by the Department of Insurance as either admitted or non-admitted insurers.

E. The LPA, its officers and employees assume no responsibility for the adequacy of limits and coverage in the event of any claims against the CONSULTANT, its officers, employees, sub-consultants or any agent of any of them, and the obligations of indemnification in Section 19 herein shall survive the exhaustion of limits of coverage and discontinuance of coverage beyond the term specified, to the fullest extent of the law.

F. The CONSULTANT shall furnish a certificate of insurance and all endorsements to the LPA prior to the commencement of this Contract. Any deductible or self-insured retention amount or other similar obligation under the insurance policies shall be the sole obligation of the CONSULTANT. Failure to provide insurance as required in this Contract is a material breach of Contract entitling the LPA to immediately terminate this Contract.

I. Professional Liability Insurance

The CONSULTANT must obtain and carry professional liability insurance as follows: For INDOT Prequalification Work Types 1.1, 12.2-12.6 the CONSULTANTS shall provide not less than $250,000.00 professional liability insurance per claim and $250,000.00 aggregate for all claims for negligent performance.
