## County/Region Information

1. County or Region \*

Monroe County

2. Name of person entering this survey \*

Becca Streit

3. Name, title and role of all Local JRAC members participating in this survey: \*

Please see attached list of JRAC members.

4. Title/Position \*

Community Corrections Executive Director/ Deputy Chief Probation Officer

5. Agency \*

Monroe Circuit Court Probation

6. Email \*

bstreit@co.monroe.in.us

Part I: Policy Level Collaboration

7. The individual stakeholders listed below are represented on an existing or planned/proposed local JRAC. \*

	Yes	No
Chief public defender or designee	<input checked="" type="radio"/>	<input type="radio"/>
Elected Prosecutor or designee	<input checked="" type="radio"/>	<input type="radio"/>
Director of local community mental health center or designee	<input checked="" type="radio"/>	<input type="radio"/>
Sheriff or designee	<input checked="" type="radio"/>	<input type="radio"/>
Director of Community Corrections or designee	<input checked="" type="radio"/>	<input type="radio"/>
Chief Probation Officer or designee	<input checked="" type="radio"/>	<input type="radio"/>
President of county executive or designee	<input checked="" type="radio"/>	<input type="radio"/>
President of county fiscal body or designee	<input checked="" type="radio"/>	<input type="radio"/>
Circuit or Superior Court Judge exercising criminal jurisdiction	<input checked="" type="radio"/>	<input type="radio"/>
Other non-statutory members	<input checked="" type="radio"/>	<input type="radio"/>

8. How was your Local JRAC formed? \*

- Community Corrections Advisory Board
- Existing Local Policy Team
- Newly Created
- Local JRAC is not yet established

9. Currently, which best describes the frequency with which your Local JRAC meets: \*

- Stakeholders meet more often than quarterly
- Stakeholders meet quarterly
- Stakeholders meet less often than quarterly

10. How confident is your jurisdiction in successfully engaging all key stakeholders as outlined in the Local JRAC statute, to collaborate and implement evidence-based/research-informed decisions (i.e., as a Local JRAC team)?

\*

- Highly confident
- Confident
- Not confident
- Unsure

11. Has your Local JRAC developed the following:

\*

- |         | Yes                   | No                               | Unsure                |
|---------|-----------------------|----------------------------------|-----------------------|
| By-laws | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |

	Yes	No	Unsure
A systemwide vision and mission statement	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Operating norms (often referred to as "ground rules") for the team's interactions/processes	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
A system map	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
A common set of system improvement goals/change targets	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

12. Has your jurisdiction reviewed/evaluated local jail crowding and recommended a range of possible crowding solutions? \*

- Yes
- No

13. When was jail crowding review/evaluation completed? \*

June 20, 2021

## Part II: Evidence-Based Knowledge

In the justice system, the term "evidence" is used in a variety of ways. The term "*evidence-based policy and practice*," or EBP, is used to describe findings from empirically sound social science research and is at the core of efforts to reduce risk among justice-involved people and enhance public safety.

14. Please discuss the above term; consider the amount of exposure the different stakeholder groups have had to EBP; and, based on your council's perceptions, rate each stakeholder group's knowledge of EBP: \*

	Limited	Moderate	High	Unsure	N/A
Judges	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other Court staff	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
County Council	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
County Commissioners	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Law Enforcement	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Prosecutors' Office	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Public Defenders	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Probation staff	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Community Corrections Staff	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Community Mental Health Centers	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

## Part III: Implementation of Statewide Risk Reduction Policies and Practices

15. The Indiana Risk Assessment System (IRAS) is a criminogenic risk and needs assessment used statewide by the department of correction, courts, parole, probation, and community corrections. In your jurisdiction, at which stages of the criminal justice process is the IRAS completed and considered?

\*

	Yes	No	Unsure
Pretrial	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Sentencing	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Community Corrections	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Probation	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

	Yes	No	Unsure
Parole	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Reentry	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

16. Please discuss your council’s understanding of the research supporting use of a validated criminogenic risk assessment and how the results can inform decision making. Is the Indiana statewide risk assessment system understood by stakeholders?

\*

	Yes	No	Unsure
Behavioral health	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Community Corrections	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
County Commissioners	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
County Council	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Judge(s)	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Law Enforcement	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Probation	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Prosecutors	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Public defender	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Others: (not required by statute)	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

17. Is the Indiana statewide risk assessment system accepted as a valid instrument by stakeholders?

\*

	Yes	No	Unsure
Behavioral health	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

	Yes	No	Unsure
Community Corrections	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
County Commissioners	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
County Council	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Judge(s)	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Law Enforcement	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Probation	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Prosecutors	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Public defender	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Others: (not required by statute)	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

18. Do stakeholder agencies agree that interventions for people who are at low risk to reoffend should be limited and instead, that intensive interventions are best reserved for higher risk offenders?

\*

	Generally Yes	Generally No	Unsure
Behavioral health	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Community Corrections	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
County Commissioners	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
County Council	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Judge(s)	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Law Enforcement	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Probation	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Prosecutors	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Public defender	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

Generally Yes

Generally No

Unsure

Others: (not required by statute)

19. In our jurisdiction: \*

Yes

No

Unsure

Probation routinely supervises and provides treatment services based on criminogenic needs identified through the risk assessment system and other assessment instruments.

Community corrections routinely supervises and provides treatment services based on criminogenic needs identified through the risk assessment system and other assessment instruments.

Probation routinely utilizes curricula and other risk reduction interventions that are based upon research.

Community corrections routinely utilizes curricula and other risk reduction interventions that are based upon research.

20. Please indicate the extent to which your JRAC is effective in these areas:

\*

	Highly	Generally, but not consistently	Some improvement needed	A lot of improvement needed	Not started yet
Working as a high functioning team.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Making decisions that impact the system as a whole.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Establishing a shared vision, mission, and values.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Understanding current criminal justice system operations in a detailed way (e.g., completed a system map).	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Developing performance measures and benchmarks.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Collecting and analyzing data.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Understanding and effectively implementing the risk reduction literature throughout the justice system.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Developing risk reduction skills among those working directly with people in the criminal justice system.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ensuring that agencies implement and routinely carry out fidelity and quality assurance practices.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

## Part IV: Services and Programs

21. Local services and programs in your jurisdiction:

\*

	Mostly	Some	None
Are delivered to people involved in the justice system based on criminogenic needs identified by the risk assessment system and other ancillary assessment tools.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Utilize curricula that are evidence-based.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

22. Please check all services and programs in your county that *have been certified* by the Indiana Office of Court Services:

- Adult Problem-Solving Court(s)
- Juvenile Problem-Solving Court(s)
- Pretrial Services
- Court Alcohol and Drug Program
- Not applicable

23. If your jurisdiction has operational adult problem-solving court(s), please list how many:

Drug Treatment Court; Mental Health Court; Veterans Court; Reentry Court

24. If your jurisdiction has operational juvenile problem-solving court(s), please list how many:

N/A

25. Does your jurisdiction participate in the Juvenile Detention Alternatives Initiative? \*

- Yes
- No
- Unsure

---

## Part V: Performance Measurement/Quality Improvement

Does your jurisdictions' current data systems capture the following:

26. The number of law enforcement calls resulting in a criminal citation per year? \*

- Yes
- No
- Unsure

27. Can the number of law enforcement calls resulting in a criminal citation per year be analyzed by the following? (check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

28. The number of law enforcement calls resulting in a custodial arrest per year? \*

- Yes
- No
- Unsure

29. Can the number of law enforcement calls resulting in a custodial arrest per year be analyzed by the following?

\*

- Race
- Gender
- Sex
- None of the above

30. The number and type of felony filings per year? \*

- Yes
- No
- Unsure

31. Can the number and type of felony filings per year be analyzed by the following? (Check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

32. The number and type of misdemeanor filings per year? \*

- Yes
- No
- Unsure

33. Can the number and type of misdemeanor filings per year be analyzed by the following? (Check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

34. The number and type of court case dismissals after filing per year? \*

- Yes
- No
- Unsure

35. Can the number and type of court case dismissals after filing per year be analyzed by the following? (Check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

36. The number and type of people offered a prosecutorial diversion from traditional case processing per year? \*

- Yes
- No
- Unsure

37. Can the number and type of people offered a prosecutorial diversion from traditional case processing per year be analyzed by the following? (Check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

38. The percentage of criminal cases resolved by plea negotiation per year? \*

- Yes
- No
- Unsure

39. The number of people held in jail solely on pretrial matters vs. those held for other reasons on a given day? \*

- Yes
- No
- Unsure

40. Can the number of people held in jail solely on pretrial matters vs. those held for other reasons on a given day be analyzed by the following? (Check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

41. The number of people held in jail serving a court-imposed sentence on a given day?

- Yes
- No
- Unsure

42. Can the number of people held in jail serving a court-imposed sentence on a given day be analyzed by the following? (Check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

43. The number and type of people placed on probation supervision per year?

- Yes
- No

Unsure

44. Can the number and type of people placed on probation supervision per year be analyzed by the following? (Check all that apply)

\*

Race

Gender

Sex

None of the above

45. The number and type of people placed on community corrections supervision per year?

Yes

No

Unsure

46. Can the number and type of people placed on community corrections supervision per year be analyzed by the following? (Check all that apply)

\*

Race

Gender

Sex

None of the above

47. The number of people who are revoked from probation supervision per year?

Yes

No

Unsure

48. Can the number of people who are revoked from probation supervision per year be analyzed by the following? (Check all that apply)

\*

Race

Gender

Sex

None of the above

49. The number of people who are revoked from community correction supervision per year?

Yes

No

Unsure

50. Can the number of people who are revoked from community correction supervision per year be analyzed by the following? (Check all that apply)

\*

Race

Gender

Sex

None of the above

51. The number and type of people sentenced/returned to the Department of Corrections per year?

Yes

- No
- Unsure

52. Can the number and type of people sentenced/returned to the Department of Corrections per year be analyzed by the following? (Check all that apply)

\*

- Race
- Gender
- Sex
- None of the above

53. If any of the above data is collected, is it regularly shared with all system stakeholders? \*

- Yes
- No
- Unsure

54. Please provide more information about your ability/inability to share data with system stakeholders: \*

We have the ability to share data but no systematic process to share data regularly other than an annual report.

55. Does your jurisdiction have a shared/agreed upon definition of recidivism? \*

- Yes
- No

56. Is any local recidivism data collected? \*

Yes

No

57. Has your council agreed on a set of systemwide local performance measures? \*

Yes

No

58. Does your council have the following in place to ensure that evidence-based/ research-informed practices are incorporated into decision making? \*

	Yes	No	Unsure
Systemwide strategic plan or system-level logic model	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Quality assurance for fidelity of program implementation	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Strategies to collect and analyze performance measurement data	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Strategies to use data and performance measures to improve identified criminal justice issues	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

59. If yes to any of the above, please describe:

60. Are any of your council agencies engaged in a research project aimed at evaluating criminal justice system performance (e.g., local university partner, county planner)?

\*

- Yes
- No
- Unsure

61. If yes, please describe:

Reducing Revocations Challenge (Probation); Alliances to Disseminate Addiction Prevention and Treatment (Probation); Use of Fines/Fees (Probation); Pretrial Sanctions and Incentives (Probation); Substance Use in Pretrial Supervision (Probation)

## Part VI: Community Engagement Efforts

The following questions seek to understand the extent to which stakeholders and/or your local JRAC have undertaken community education and engagement in an effort to assist the local community in understanding and supporting criminal justice best practices.

62. To what extent have local stakeholders *jointly* developed a deliberate strategy to educate the local community (i.e., representatives of various interest groups as well as citizens at large) about relevant crime and risk reduction research, and efforts underway to apply these findings locally?

\*

- Not yet discussed/considered
- Discussed/considered but not yet started
- Underway
- This is a long-standing practice of ours

## End of Report - Requested Attachments
