Hello!

You may have received a letter and questionnaire from Tax Management Associates, Inc (“TMA”) regarding your Homestead deduction and requesting your residency information.

TMA is a company contracted to assist Monroe County in reviewing Homestead deductions claimed in Monroe County. We want to make sure that all taxpayers receiving the benefits of this major property tax benefit are appropriately receiving it. If you are receiving a letter and questionnaire from them on behalf of the County, something in initial findings made it unclear if the property listed on the document is your primary residence and we are needing clarification to determine eligibility status of the homestead deduction.

Please know that just because you are receiving the letter and questionnaire, it does not mean your homestead is necessarily in danger of removal or being removed. However, if it is found your deductions claimed are not in accordance with the Indiana Code (IC 6-1.1-12-37) requirements to claim the deductions, you may be subject to back taxes to correct the taxes in which the deduction was claimed invalidly.

Please complete the questionnaire and send it in the return envelope so that it reaches the appropriate destination.

If you have any questions regarding how to complete the questionnaire, please contact the email or 1-888 number provided on your letter for the TMA Customer Service.

If you have any questions as to why the County has this assistance, please contact the Auditor’s Office at 812-349-2510.

I greatly appreciate your time and attention in this matter,

Brianne Gregory
Monroe County Auditor
